INFORMATION DOCUMENT ON THE "2023 - 2028 PERFORMANCE SHARES PLAN"

(pursuant to article 114-bis of Legislative Decree 58/98 and article 84-bis paragraph 1, Regulation adopted by Consob by means of Resolution No. 11971 of 14 May 1999 as subsequently amended)

Update to the Information Document submitted at the Shareholders' Meeting held on 21 June 2022 which contains the proposed amendment to Paragraph 4.5 for put for approval at the Shareholders' Meeting convened, in single call, for 22 June 2023.

INTRODUCTION

This Information Document has been drawn up pursuant to article 84-*bis* and Scheme 7 of Annex 3A to the Issuers' Regulation ~~for the purpose of providing a proposal for an~~with regard to the incentive plan entitled "2023-2028 Performance Shares Plan" ~~which~~deemed of "particular relevance" pursuant to article 114-*bis*, paragraph 3 TUF and article 84-*bis*, paragraph 2 of the Issuers' Regulations and, therefore approved at the Company's Shareholders' Meeting held on 21 June 2022 ("Plan"). Said Plan envisages the grant to Directors and/or Managers with Strategic Responsibilities and/or employees of the Company or of the Group: (i) of non-transferable rights, subject to conditions, to be allocated shares on a gratuitous basis in the amount as shall be determined based on the achievement or over achievement of certain performance objectives and conditional upon occurrence of the vesting conditions provided for in the plan (ii) a cash bonus calculated with reference to any dividends as may be distributed and paid by the Company for each of the three cycles of the Plan, as better described below, which shall be paid to the Beneficiary conditional upon delivery of the shares relating to each cycle of the Plan provided that all the related vesting conditions have been met.

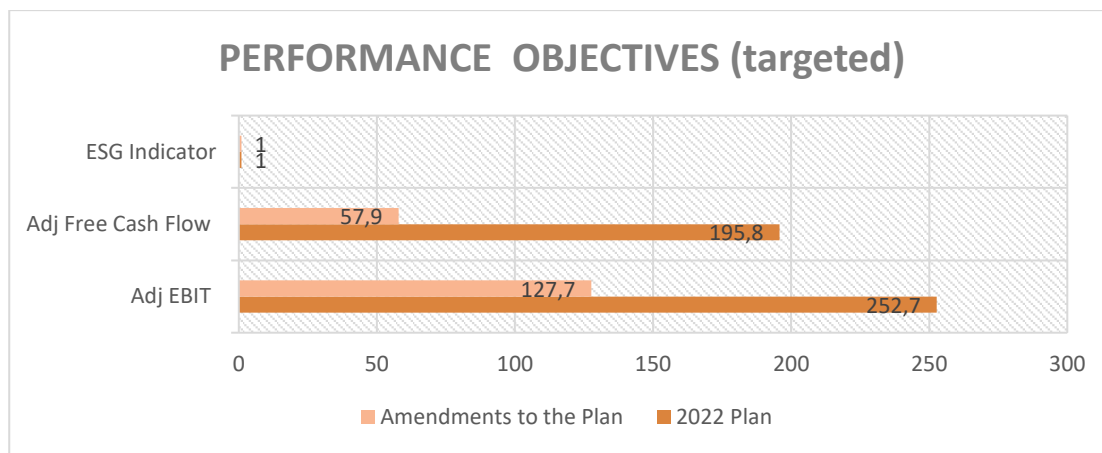

~~The~~More specifically, this Information Document has the purpose of illustrating to shareholders the proposed amendments to the targets for the 1st Cycle of the Plan with respect to the targets previously submitted to and approved at the Company's Shareholders' Meeting held on 21 June 2022 ("Amendment"). The Amendment is shown in blue track changes mode hereinbelow.

~~The~~Amendment proposal was approved by the Company's Board of Directors on 9 May 2023, upon proposal of the Remuneration and Appointments Committee which sat on 3 May 2023, and subject to the prior favourable opinion from the Board of Statutory Auditors.

~~On~~ 9 May 2023, the Board of Directors also approved a new Strategic Plan which takes into account the changed macro-economic and sectoral reference context.

~~Since~~ the Plan objectives approved on 21 June 2022 were anchored to the previous Strategic Plan, it is necessary to submit the Amendment at the Shareholders' Meeting so as to render the Plan consistent with the most recent version of the strategic plan and not compromise its relative incentive value. More specifically to: (i) Maintain the focus of Plan Beneficiaries on dimensions of strategic interest for the Company, mindful of the compromised incentive value of the previous targets; (ii) Continue to ensure alignment of the interests of Beneficiaries with those of Shareholders; (iii) Ensure that the overall remuneration of Plan recipients remains competitive and apposite to motivate management through challenging yet achievable objectives which are such as to ensure their retention in the long term.

~~For~~ that purpose, the performance target goals for the 1st Cycle of the Plan have been recalculated with respect to those proposed in the previous year, as better illustrated in the graph below.

For the sake of clarity, please note that this Information Document fully reproduces the Information Document approved at the Shareholders' Meeting held on 21 June 2022 and sole amendment thereto shall be that indicated in paragraph 4.5 of the Amendment in such manner that, upon Amendment approval, this Information Document shall supersede and replace that submitted at the Shareholders Meeting held on of 21 June 2022.

In addition to the proposed Amendment, the Information Document (i) clarifies the intention to identify additional Beneficiaries of the 1st Cycle of the Plan as may be done on one or more occasions within the 30th (thirtieth) calendar day following the date on which the shareholders approve the Amendment at the Shareholders' Meeting, without prejudice to the already envisaged possibility that the Board of Directors may identify any additional Beneficiaries for each Cycle, including beyond such term where it deems it appropriate and (ii) has been updated to take account of the events that occurred after publication of the Information Document dated 20 May 2022, including approval of said Plan itself. Since such updates concern historical events and do not constitute changes to the Plan, they are not required to be put to resolution at the Shareholders' Meeting.

The Amendment proposed for the Shareholders' Meeting of 22 June 2023 has been included in the First Section of the Report on remuneration policy and recompense paid which shall also be submitted for approval at the Shareholders' Meeting.

Those Beneficiaries the Board of Directors identified by name following Plan approval, i.e. the Chief Executive Officer, the General Manager and the Chief Financial Officer, have confirmed they shall accept the Amendment in the event of its approval at the Shareholders' Meeting.

* * *

We remind you that the Plan was approved at the Shareholders' Meeting of 21 June 2022 so as to allow for the continuation, without interruption, of the vesting periods relevant for the purposes of the long-term variable component compared to the previous "Performance Shares Plan 2020-2025" and reserved for employees and/or Executive Directors of Unieuro and/or other companies belonging to the Group.

More specifically, the Company's shares have STAR status and are traded on the Euronext STAR Milan segment. Pursuant to the Regulations governing markets organised and managed by Borsa Italiana S.p.A. in order to obtain and maintain STAR qualification for their shares, issuers having shares traded on the Euronext STAR Milan segment - as has Unieuro - shall adopt policies for the remuneration of executive directors and top management which lay down performance objectives tied to payment of any variable component which shall be predetermined, measurable and linked to a significant extent to the long-term horizon.

At the Shareholders' Meeting held on 17 December 2020, the plan called the "2020-2025 Performance Shares Plan" was approved in accordance with the above-mentioned requirement. This plan envisages the gratuitous assignment of rights to receive ordinary shares of Unieuro, conditional upon achievement of certain performance objectives which is reserved for employees and/or Executive Directors of Unieuro and/or of other companies belonging to the Group.

Said plan has three cycles starting from 1 March 2020; the third and final cycle started on 1 March 2022 with vesting of any rights and allocation of shares envisaged during 2025.

The ~~Board reference period of Directors has decided to put forward a proposal at the 2022 Shareholders' Meeting called to approve the financial statements as at 28 February 2022, for adoption~~ 1st Cycle of the new 2023 - 2028 Performance Shares Plan. ~~If approved, this new plan shall provide for the assignment of rights of the first cycle starting starts~~ from 1 March 2023 and is ~~not~~ a continuance of the prior 2020-2025 Performance Shares Plan.

The Company has been supported by a consulting firm of primary standing so as to confirm the correct preparation of the Plan and the alignment of the principles contained therein with the indications of the market, proxy advisors and best practices.

~~Therefore this Information Document exclusively discusses the Plan proposal approved by the Board of Directors of the Company on 11 May 2022. Each reference to the Plan contained in this Information Document is to be interpreted as that Plan as shall be put forward for approval at the shareholders' meeting.~~

As better described hereinbelow, certain aspects of Plan implementation shall be determined by the Board of Directors in virtue of powers that shall be conferred on said Board at the Shareholders' Meeting.

Information concerning the resolutions that the Board of Directors shall adopt to implement any such Plan as may have been approved by the Shareholders' Meeting and in compliance with the general criteria indicated therein, shall be provided, where necessary, in the manner and within the timelines indicated by article 84-*bis* paragraph 5 letter a), of the Issuers' Regulation and in any case by the regulatory provisions in force from time to time.

This Information Document is accessible to the public at the Company's registered office, as well as on the Company's corporate website in the section "Unieurospa.com / Corporate Governance / Shareholders' Meetings / Shareholders' Meeting 2022-2023", as well as in the manner and within the timelines established by the regulatory provisions in force from time to time.

We underline that the Plan is deemed of "particular relevance" for the purposes of art. 114-*bis*, paragraph 3 TUF and art. 84-*bis* paragraph 2 Issuers' Regulation, on grounds that its interested parties are, *inter alia*, directors with delegated powers and managers with strategic responsibilities of the Company.

2. REASONS UNDERPINNING THE ADOPTION OF THE PLAN

2.1 Objectives to be achieved through the implementation of such a plan.

In line with national and international best market practices, the Company believes that share-based compensation plans constitute an effective incentive and loyalty instrument for personnel who hold key roles as well as for employees, so as to maintain high levels of - as well as improve - performance which in turn contributes to an increase in the growth and sustainable success of the Company.

Indeed, the Plan is part of a set of instruments used by the Company to integrate the fixed component of the remuneration ~~package~~treatment of strategic resources with a variable component connected to continuance of the employment relationship, in line with best market practices and of the previous medium-long term incentive plan approved at the Shareholders' Meeting held on 17 December 2020.

The Plan includes the following objectives:

- (i) to focus the attention of Plan Beneficiaries on factors of strategic interest of the Company and direct key resources towards the pursuing of medium-long term results with a view to sustainability of the Group's economic and financial performance;
- (ii) build loyalty among the Plan Beneficiaries and incentivize their continuance with the Company by developing retention policies;
- (iii) align the interests of the Beneficiaries with those of the shareholders, with a view to developing the growth of the Company's value; and
- (iv) ensure that the overall remuneration of recipients of the Plan remains competitive whilst at the same time developing policies to attract new talent to managerial and professional roles.

The reasons and criteria on the basis of which the Company established the relationship between the Allocation of the Shares under the Plan and other components of overall remuneration are grounded, on the one hand, in the facilitation of loyalty and, on the other, in recognition of an overall benefit for the interested parties in line with market practices.

In addition, the adoption of a share-based remuneration plan responds to the recommendations under the Corporate Governance Code which acknowledges that such plans constitute an instrument which is apposite to align the interests of executive directors and managers with strategic responsibilities of listed companies with those of shareholders, thus facilitating the priority objective which is creation of value in the medium-long term.

The Plan shall be developed over a medium-long term horizon since this is considered the most suitable timespan for achievement of the incentive and loyalty objectives that said Plan pursues.

2.2 Key variables, including any performance indicators considered for the purposes of realising plans based on financial instruments.

For each Plan Cycle, each Beneficiary shall be granted a number of non-transferable Rights on a gratuitous basis and subject to conditions to be allocated Shares in Unieuro, also on a gratuitous basis, upon the achievement or overachievement of certain Performance Objectives as fixed for each Cycle, and conditional upon occurrence of the Vesting Conditions provided for in the Plan. Moreover, the Plan provides for a Cash Bonus as better described in article 4.2 below which shall be paid to the Beneficiary conditional upon Delivery

of the Shares relating to each Cycle of the Plan provided that all the related Vesting Conditions have been met.

The incentive levels shall be defined, in terms of the maximum number of Shares that may be awarded, in accordance with the following principles of the remuneration policy adopted by Unieuro, foreseeing in particular an adequately balanced management remuneration structure with coherent weighting given to:

- the fixed component and the powers and/or responsibilities assigned;
- a variable component having maximum limits and aimed at anchoring the remuneration to the performance actually achieved;
- variable remuneration of those managerial roles having greater influence on company results and characterized by a significant incidence of the long-term incentive components, such remuneration more appropriate for deferral over a period of at least three years.

For each of the Performance Objectives, an incentive curve is envisaged that links the number of Shares as may be allocated, to the level of Performance Objectives achieved or overachieved by the Company:

- a minimum performance threshold set at 80% of the performance threshold (target) below which no Shares shall be allocated and upon attainment of which a number of shares shall be allocated commensurate to 50% of ~~the Shares to be allocated upon achievement of the target threshold~~ Base Number of Shares;
- ~~an~~ performance threshold (target) upon achievement of which a Base Number of Shares shall be allocated;
- a maximum performance threshold (cap) fixed at 150% of performance threshold (target) upon achievement or overachievement of which a maximum number of Shares shall be allocated commensurate to 150% of ~~the Shares to be allocated upon achievement of the target threshold~~ Base Number of Shares.

The Performance Objectives applicable to each Plan Cycle shall be determined by the Board of Directors having consulted with the Remuneration and Appointments Committee prior to the Grant of Share Rights and shall be formulated with reference to the 1st Cycle by:

- **Adjusted EBIT Indicator**

Meaning the consolidated EBIT post application IFRS 16 adjusted for (i) non-recurring charges/(income) (ii) non-recurring depreciation and write-downs and (iii) the effects of adjustment of revenues for extended warranty services net of the relative estimated future costs for assistance service, as a consequence of the change in the business model for directly managed assistance services.

The Performance Objectives based on Adjusted EBIT indicator has a 50% percentage weighting of the total Shares subject to Allocation and coincides with the Unieuro adjusted cumulative EBIT relating to the accounting periods of the 1st Cycle. Achievement of Performance Objectives shall be calculated with reference to the methodology described in the table in Section 4.5 of this Information Document.

- **Adjusted Free Cash Flow indicator**

Meaning the consolidated cash flow generated/absorbed by operating and investment activities comprehensive of financial obligations pre-adoption of IFRS 16. Consolidated Adjusted Free Cash Flow is that adjusted by operative flows and by non-recurring investments and includes adjustments for non-recurring charges (income), their non-monetary component and the related tax impact.

The Performance Objectives based on Adjusted Free Cash Flow indicator has a 25% percentage weighting of the total Shares subject to Allocation and coincides with the Unieuro cumulative Free Cash Flow relating to the accounting periods of a Cycle. Achievement of Performance Objectives shall be calculated with reference to the methodology described in the table in Section 4.5 of this Information Document.

- **ESG Indicator**

Indicates Unieuro's level of sustainability in line with its ESG strategy, as laid down in the 2022-2026 Sustainability Plan adopted by the Company. The weaving of environmental, social and governance issues into business activity is reflected by the choice of an ESG performance indicator based on KPIs ("**Key Performance Indicators**") attributable to 4 specific projects: 1st KPI: number of contacts (audience) achieved by the #Cuoriconnessi initiatives against cyberbullying; 2nd KPI: acquisitions of energy with certification attesting its origin from renewable sources; 3rd KPI: level of Employee Net Promoter Score (eNPS), as a tool for measuring human resources' level of satisfaction; 4th KPI: Group employees involved in specific training on sustainability issues.

The ESG indicator has a percentage weighting of 25% on the total of the Shares subject to Allocation and shall be measured in accordance with the methodology described in the table in Section 4.5 of this Information Document.

The Shares shall be allocated at the end of each Vesting Period provided that the Board of Directors is satisfied that the following Vesting Conditions have been fulfilled:

- on the Share Allocation Date, the Beneficiary's Relationship with the Company and/or with a Group company is still in continuance, unless the Beneficiary is deemed a Good Leaver;
- the minimum performance threshold for at least one of the Performance Objectives has been achieved during the Vesting Period;
- in consideration of the individual Allocations to be made by the Board of Directors or by any other body they may entrust with such task, there is from time-to-time sufficient available reserves, as reported in the last approved accounts of the Company, to carry out the Share capital Increase or the purchase of Shares pursuant to articles 2357 and 2357-ter Civil Code to service the Plan. It is understood that the Board of Directors may, at its sole discretion, proportionally reduce the number of Shares to be made available for allocation to Beneficiaries for each Cycle of the Plan.

The Board of Directors shall verify the Vesting Conditions no later than the 30th (thirtieth) calendar day following the date of the Shareholders' Meeting that approves the annual Financial Report as of: 28 February 2026 with reference to the 1st Cycle of the Plan; as of 28 February 2027 with reference to the 2nd Cycle of the Plan; as of 29 February 2028 with reference to the 3rd Cycle of the Plan. Said Board shall also duly assess achievement of the Performance Objectives on the basis of the Non-Financial Declarations ([as concerns the EGS indicator](#)) and the relevant annual financial reports- ([as concerns other indicators](#)).

For more information on the Performance Objectives, please refer to paragraph 4.5 below of this Information Document.

2.3 Elements underpinning the determination of the amount of remuneration based on financial instruments; the criteria for its determination.

On the Grant of Share Rights Date, the Board of Directors shall set the number of Rights to be granted to each Beneficiary, having duly: heard the opinion of the Remuneration and Appointments Committee; evaluated the importance and strategic value of each Beneficiary in creating new value for the Company and/or the Group; taken into account the particular relevance of the office held; evaluated the importance of the Beneficiary in terms of loyalty.

The amount of maximum share incentive rights corresponding to the attainment of maximum performance threshold for all Performance Objectives allocated to a particular Beneficiary, shall be determined with reference to the level of responsibility/criticality of the office held by the particular assignee.

As regards the connection with the Vesting Conditions you are referred to point 4.5 below.

2.4 Reasons underpinning any decision to implement compensation plans based on financial instruments not issued by the issuer of financial instruments, such as financial instruments issued by subsidiaries or parent companies or third-party companies with respect to the group to which they belong. The Plan has a time horizon of 5 years (2023-2028) as concerns the Vesting Period running from 1 March 2023.

More specifically, the Plan provides for three Cycles, each consisting of four stages: (i) Grant of Share Rights to the Beneficiaries; (ii) relative Vesting Period; (iii) Allocation of the Shares on the Share Allocation Date and (iv) Lock Up Period where applicable.

More specifically: the 1st Cycle has a three-year duration (i.e., Grant of Share Rights to the Beneficiaries for 1st Cycle, Vesting Period relating to the business years 2023/2024, 2024/2025, 2025/2026 with any Allocation to be carried out after the approval of the annual financial report relating to the business year closed on 28 February 2026) in addition to the Lock Up Period where applicable. The 2nd Cycle has a three-year duration (i.e., Grant of Share Rights to the Beneficiaries for 2nd Cycle, Vesting Period relating to the business years 2024/2025, 2025/2026, 2026/2027 with any Allocation to be carried out after the approval of the annual financial report relating to the business year closed on 28 February 2027) in addition to the Lock Up Period where applicable. The 3rd Cycle has a three-year duration (i.e., Grant of Share Rights to the Beneficiaries for 3rd Cycle, Vesting Period relating to the business years 2025/2026, 2026/2027 and 2027/2028 with any Allocation to be carried out after the approval of the annual financial report relating to the business year closed on 29 February 2028) in addition to the Lock Up Period where applicable.

By way of illustration only, the following graph shows the proposed three Cycles of the Plan each having a three-year duration:

	FY 2023 – 2024 (01/03/23 – 29/02/24)	FY 2024 – 2025 (01/03/24 – 28/02/25)	FY 2025 – 2026 (01/03/25 – 28/02/26)	FY 2026 – 2027 (01/03/26 – 28/02/27)	FY 2027 – 2028 (01/03/27 – 29/02/28)	FY 2028 – 2029 (01/03/28 – 28/02/29)	FY 2029 – 2030 (01/03/29- 28/02/30)
1 st Cycle	Vesting Period			Lock Up Period ⁵			
2 nd Cycle		Vesting Period			Lock Up Period ⁵		
3 rd Cycle			Vesting Period			Lock Up Period ⁵	

Delivery of the Shares allocated to each Beneficiary shall take place once the relative civil and administrative-accounting obligations have been performed, by way of transfer of said Shares to the securities account designated by that Beneficiary or, with reference to any part of Shares subject to a Lock Up Period, then to the escrow account in the name of the Beneficiary arranged by the financial intermediary appointed by the Company as Plan administrator, on the date set forth in the relevant Allocation notice and in any case within fifteen day of the date of Allocation notice.

Cash Bonus

The Rights further entitle each Beneficiary to receive a Cash Bonus for an amount commensurate to any dividends as have been distributed and paid out by the Company up to Share Allocation Date.

More precisely, the gross amount of the Cash Bonus shall be commensurate to the sum the Beneficiary would have received by way of dividends in relation to the year for each Cycle from the Cycle start date to the Share Allocation Date had he/she held the Shares Allocated to him/her at the end of the Cycle.

For the purpose of the determination of any Cash Bonus, a maximum of three resolutions for the distribution of ordinary dividends per Cycle shall be allowed; therefore, each Beneficiary may receive, for each Cycle of the Plan as concern ordinary dividends, a Cash Bonus not exceeding in any event an aggregate maximum of three ordinary dividends.

The above-mentioned limit does not apply to any extraordinary dividends as may be distributed and paid from the start date of the Cycle up to Allocation Date, whereby ‘extraordinary dividend’ means a dividend deriving from a part of the Company's earnings/capital reserves, rather than a dividend from the distribution of annual profits.

Such Cash Bonus shall be payable conditional upon the Delivery relating to each Cycle of the Plan provided that all the Vesting Conditions are met.

Upon delivery of the Shares and/or at the time of payment of any Cash Bonus as mentioned above, Unieuro shall have the right to withhold from the sums due for any reason to the Beneficiary - including any sums due as remuneration - the minimum amount deemed sufficient to meet any obligation to pay tax and/or contributions due at source. In the event that it is not possible for any reason to withhold the relative amounts from sums due to the Beneficiary, then the Company may, prior to Delivery, ask the Beneficiary to remit to the Company, or where appropriate to another Group company, those amounts as are necessary to satisfy the obligations for tax and/or contributions due at source.

⁵ The Lock-up Period will be effective for 24 months from the Share Delivery Date.

Any amount of Cash Bonus due shall be paid by the Company in the pay-slip for the month following Delivery date or within 30 days of Delivery date should the Beneficiary not be an employee.

4.3 Term of the Plan.

Please refer to the information set forth in the previous paragraph 4.2 of this Information Document.

4.4 Maximum number of financial instruments, including in the form of options, allocated in each fiscal year to persons identified by name or qualifying category.

The maximum total of Shares to service the Plan (inclusive of all three Cycles) shall be No. 900,000 Shares to be allocated in one or more tranches upon achievement of all the Performance Objectives up to a maximum cap. The Board of Directors at its sitting of 11 May 2022 determined that the maximum number of Shares to service the first Cycle of the Plan be 300,000 (200,000 on achievement of the target threshold).

Shares earmarked to service the Plan for the second and third Cycles shall be subject to approval by the competent bodies in accordance with the legislation in force.

The exact number of Rights to be granted and Shares allocated to each Beneficiary shall be established by the Board of Directors at the time of the Grant of Share Rights and of the Allocation of Shares respectively.

4.5 Manner of and clauses for implementation of plans, stating whether the allocation of the instruments is dependent on the occurrence of conditions or the achievement of certain results, including performance; description of said conditions and results.

Allocation of Shares shall be conditional, *inter alia*, on achievement of the minimum performance threshold of at least one Performance Objective. The Performance Objectives applicable to each Plan Cycle shall be determined by the Board of Directors having consulted the Remuneration and Appointments Committee on the Grant of Rights and for the 1st Cycle are:

- **EBIT-Adjusted EBIT Indicator**

Meaning the consolidated EBIT post application IFRS 16 adjusted for (i) non-recurring charges/(income) (ii) non-recurring depreciation and write-downs and (iii) the effects of adjustment of revenues for extended warranty services net of the relative estimated future costs for assistance service, as a consequence of the change in the business model for directly managed assistance services.

The Performance Objective based on the Adjusted EBIT indicator has a 50% percentage weighting of the total Shares subject to allocation and coincides with the Unieuro adjusted cumulative EBIT relating to the accounting periods of the 1st Cycle. Achievement of Performance Objectives shall be calculated with reference to the methodology described in the table below.

- **Adjusted Free Cash Flow-Adjusted Indicator**

Meaning the consolidated cash flow generated/absorbed by operating and investment activities comprehensive of financial obligations pre-adoption of IFRS 16. Consolidated Adjusted Free Cash Flow is that adjusted by operative flows and by non-recurring investments and includes adjustments for non-recurring charges (income), their non-monetary component and the related tax impact.

The Performance Objective based on the Adjusted Free Cash Flow indicator has a 25% threshold percentage weighting of the total Shares subject to allocation and coincides with the Unieuro adjusted cumulative Free Cash Flow relating to the accounting periods of a Cycle. Achievement of Performance Objectives shall be calculated with reference to the methodology described in the table below.

- **ESG Indicator**

Is the ESG performance indicator based on KPIs attributable to 4 specific projects: 1st KPI: number of contacts (audience) achieved by the #Cuoriconnessi initiatives against cyberbullying; 2nd KPI: acquisitions of energy with certification attesting its origin from renewable sources; 3rd KPI: level of Employee Net Promoter Score (eNPS), as a tool for measuring human resources’ level of satisfaction; 4th KPI: Group employees involved in specific training on sustainability issues. Overall, it indicates Unieuro's level of Sustainability in line with its ESG strategy, as laid down in the Sustainability Plan 2022-2026 as has been adopted by the Company and reflects the integration of environmental, social and governance issues into business activities.

The ESG indicator has a percentage weighting of 25% on the total of the Shares subject to Allocation and shall be measured in accordance with the methodology set forth in the table below.

Calculation methodology of ESG Indicator:

ESG Indicator

$$= \left(\frac{\text{Audience \#cuoriconnessi}}{\text{Target}} * \frac{1}{3} \right) + \left(\frac{\text{Green Sources}}{\text{Target}} * \frac{1}{3} \right) + \left(\frac{\text{eNPS}}{\text{Target}} * \frac{1}{6} + \frac{\text{Sustainability Training}}{\text{Target}} * \frac{1}{6} \right)$$

Values achieved by individual targets shall be reported in the Non-Financial Statement drawn up by the Company pursuant to Legislative Decree 254/2016.

Achievement of the Plan Performance Objectives shall be ascertained upon completion of each three-year vesting period - without prejudice to the provisions herein governing Good Leaver and Bad Leaver - following a timely assessment process on the part of the Board of Directors (having received the prior opinion of the Remuneration and Appointments Committee), of the results actually achieved.

For each of the Performance Objectives, an achievement curve is provided that links the number of shares as may be allocated to the level of Performance Objective achieved or overachieved in accordance with different thresholds: a) a minimum performance threshold fixed at 80% of performance threshold (target) below which no Shares shall be allocated and upon ~~attainment~~achievement of which 50% of Base Number of Shares ~~to~~shall be allocated on achievement of the threshold;- b) a performance threshold (target) upon achievement of which a Base Number of Shares shall be allocated; and c) ~~(c)~~a maximum performance threshold (cap), set at 150% of the performance threshold (target) upon the ~~attainment~~achievement or over-achievement of which the maximum number of Shares, equal to 150% of ~~the~~Base Number of Shares attributable to the attainment of the target threshold, ~~will~~shall be allocated.

Achievement of Performance Objectives entails the vesting of the Rights (for each weighted Performance Objective) in the manner set forth in the chart and table below:

0 to 6 (inclusive). "Passives" are those having given scores of 7 or 8 (inclusive). The Passive category is deemed neutral, therefore is excluded from the eNPS calculation). Please note that eNPS index values are between -100 and +100.

⁹ In each year of the cycle, the eNPS value resulting from the survey conducted on employees shall be that taken into consideration to calculate the average over the three years.

¹⁰ Please note that to render the training path more complete and articulated, there are three different modules on sustainability, one for each year of the cycle.

¹¹ Employees considered "eligible" for the purposes of the calculation are those engaged under permanent contracts and in force on February 28 of each year. Personnel on leave, on maternity leave or on prolonged illness (over 1 month) are excluded from this calculation. The training modules shall in any event be also offered to employees engaged under fixed-term contracts, albeit said latter shall not be taken into consideration for the purpose of achieving the above-mentioned target.

As regards intermediate values between 80% and 100% and between 100% and 150%, linear interpolation shall be applied to determine the accrued Rights.

The below table illustrates the target threshold values for the Allocation of the First Cycle Shares, which are subject matter of the Amendment submitted for approval at the Shareholders' Meeting called for 21 June 2023, in comparison with the current target thresholds.

Performance Objectives and the target thresholds relating to subsequent Grant of Share Rights for second and third Cycles shall be determined and disclosed in the Remuneration Report for the fiscal year of the Grant of Share Rights.

With reference to the manner of and clauses for implementation of the Plan, please refer to the provisions of the individual sections of this Information Document.

The Allocation of the Shares on a gratuitous basis for each of the three Cycles of the Plan is dependent upon the achievement of specific Performance Objectives at the end of the Vesting Period subject to fulfilment of the following Vesting Conditions:

- on the Share Allocation Date, the Beneficiary's Relationship with the Company and/or a Group company is still in continuance, unless the Beneficiary is a Good Leaver;
- the minimum performance threshold of at least one Performance Objective has been achieved during the Vesting Period;
- in consideration of the individual allocations to be made by the Board of Directors or by any other body they may entrust with such task, there is from time to time sufficient available reserves, as reported in the last approved accounts of the Company, to carry out the Capital Increase or the purchase of Shares to service the Plan pursuant to articles 2357 and 2357-ter Civil Code. It is understood that the Board of Directors may, at its sole discretion, proportionally reduce the number of Shares to be made available for allocation to Beneficiaries for each Cycle of the Plan.

The Board of Directors shall verify occurrence of the Vesting Conditions no later than the 30th (thirtieth) calendar day following the date of the Shareholders' Meeting that approves the annual Financial Report as of: 28 February 2026 with reference to the 1st Cycle of the Plan; as of 28 February 2027 with reference to the 2nd Cycle of the Plan; as of 29 February 2028 with reference to the 3rd Cycle of the Plan. Said Board shall also duly assess achievement of the Performance Objectives on the basis of the Non-Financial Declarations and the relevant annual financial reports.

4.6 Any constraints encumbering the allocated instruments including in relation to the exercise of options, with particular reference to any timeline within which the subsequent transfer to the company or to third parties is permitted or prohibited.

Share Rights are personal, non-transferable and otherwise non disposable *inter vivos* and must not be pledged or used as security.

The Rights granted to each Beneficiary must not be traded, transferred or otherwise disposed of in any way and must not be subject to any third-party enforcement or interim legal measures. In case of breach of the provisions under this paragraph the Beneficiary shall forfeit the Rights granted to him/her.

Transfer of Rights means any and all transactions by means of which the Rights are disposed of to third parties, whether directly or indirectly, and including on a gratuitous basis, by exchange and or by conferment.

Any sale, assignment, encumbrance or transfer made in breach of the obligation in the previous paragraph shall not be binding on the Company and the breaching Beneficiary shall forfeit the Rights granted to him/her.

Once the Shares have been duly delivered to a Beneficiary, he/she may freely trade them.

Beneficiaries who are also members of the Board of Directors and/or Managers with Strategic Responsibilities are obliged to make a Lock Up Commitment from the Share Delivery Date for each Cycle in which they are a Beneficiary. Such commitment consists of the obligation to continuously and personally hold 100% of the Shares granted to the particular Beneficiary under the Plan for at least 24 months starting from the Share Delivery Date (having deducted a number of Shares commensurate to the tax, social security and welfare charges arising in virtue of the Delivery of Shares which, instead, may be freely disposed of).

The Plan provides a Claw-Back clause which applies in the event that - within 3 (three) years from the Share Delivery Date - it transpires that the Performance Objectives ascertained by the Board of Directors were achieved:

- on the basis of data and/or information furnished by the competent company bodies, that is proven to be "manifestly incorrect", meaning a material or calculation error of the results that caused an objective to be achieved whereas, had the error not been made, such objectives would not have been achieved or would have been achieved differently;
- due to a wilful or grossly negligent alteration by a Beneficiary of the data used to achieve his/her objective/s;
- due to acts and/or conduct on the part of the Beneficiary in violation of laws, regulations or Company rules which impact on the achievement of the objective/s.

The Board of Directors reserves the right to take appropriate measures:

- (i) to demand the return of the Shares allocated under the Plan and any Cash Bonus paid out, less a number of Shares having a value commensurate to the value of the tax, social security and welfare charges connected with the Delivery of the Shares;
- (ii) to cancel any Cash Bonus accrued but not yet paid out;
- (iii) to demand payment of the proceeds of any sale of Shares allocated under the Plan, less the amount commensurate to the tax, social security and welfare charges arising as a consequence of the Delivery of the Shares, in the case that the Shares have already been sold, transferred or otherwise disposed of. Such proceeds may be offset against the salaries and/or any severance pay of the Beneficiary.

A Malus clause is also provided which envisages that: the number of Shares may be reduced or; Shares subject of a Grant of Share Rights not be Allocated or; any Cash Bonus not be paid out, to a Beneficiary in

the event that, in the period between the Share Allocation Date and the Share Delivery Date or Cash Bonus payment date, it transpires that the Rights have been granted or the Shares have been Allocated:

- on the basis of data and/or information furnished by the competent company bodies, that is proven to be "manifestly incorrect", meaning a material or calculation error of the results that caused an objective to be achieved whereas, had the error not been made, such objectives would not have been achieved or would have been achieved differently;
- due to a wilful or grossly negligent alteration by a Beneficiary of the data used to achieve his/her objective/s
- due to acts and/or conduct on the part of the Beneficiary in violation of laws, regulations or company rules which impact on the achievement of the objective/s.

4.7 Description of any termination conditions in relation to the assignment of plans applicable in the event that the recipients carry out hedging operations that allow for the neutralization of prohibitions on the sale of the allocated financial instruments, including as options, or of the financial instruments deriving from the exercise of those options.

The Plan Regulations may provide for the prohibition of hedging operations aimed at limiting or neutralizing the restrictions on the Shares of the Shares allocated and subject to a Lock Up Commitment where applicable.

4.8 Description of the effects of cessation of the employment relationship.

The Rights are genetically and functionally linked to the continuation of the Relationship between the Beneficiary and the Company. Therefore, in the event of cessation of said Relationship¹² - the following provisions a) and b) shall apply:

- a) in the event of cessation of the Relationship on grounds of: (i) dismissal without just cause or (ii) retirement, death or incapacity which renders impossible continuance by the Beneficiary of the relationship (each case considered a "**Good Leaver**" event), during the Vesting Period and in any case before the Share Allocation date, the Beneficiary (or, where appropriate, his/her legal guardian/heirs) maintains the right to receive, subject to the other conditions set out in the Plan and the Regulations, a certain number of Shares to be determined with reference to the Rights granted and calculated *pro rata temporis* and *pro rata* performance in accordance with the criteria set down in these regulations for each Plan Cycle.
- b) in the event of cessation of the Relationship on grounds of: (i) voluntary resignation from office/role; or (ii) dismissal for just cause; or (iii) any circumstances other than those mentioned in the preceding letter a), (each case considered a "**Bad Leaver**" event) during the Vesting Period and in any case before the Share Allocation Date, the Beneficiary shall definitively forfeit all the Rights granted to him/her.

In any event, the Board of Directors of the Company may, at its sole discretion, assign the relative Rights to other Beneficiary/ies.

Having obtained the favourable opinion of the Remuneration and Appointments Committee, the Board of Directors, may, based on assessment made on a case-by-case basis and in any case within 30 days of

¹² Relationship termination date means the date on which the employment relationship ceases to have effect therefore any notice period is to be disregarded.

termination of the Relationship, decide to derogate in a favourable manner, from one or more of the provisions under letters. a) and b) of the previous paragraph, on the conditions as shall be provided for in the Regulations for each Plan Cycle.

4.9 Any other causes for cancellation of the plans.

The Board of Directors may choose not to proceed with the Allocation:

- in the event of an effective and significant deterioration in the equity or financial situation of the Company, as may be ascertained by the Board of Directors; or
- if, following the entry into force of primary and/or secondary legislation (including of social security and tax nature) and/or following the publication of official interpretative clarifications and/or following variation of the current interpretations of the applicable rules, the implementation of the Plan could entail material increases of tax, social security or other charges for the Company.

In the aforementioned hypotheses, the Plan may be temporarily suspended, modified or cancelled.

If that occurs, then the Company shall not have any liability for any damage, indemnity or responsibility on any other grounds towards the Beneficiaries and none of the Beneficiaries shall have any right or claim vis-a-vis the Company arising in virtue of the Rights assigned to them, to receive any free Shares not yet duly assigned.

Further causes for cancellation of the Plan may be determined by the Board of Directors, having consulted the Remuneration and Appointments Committee.

4.10 Grounds for any provision which envisages the company redeeming the financial instruments under the plans pursuant to articles 2357 et seq. Civil Code. Beneficiaries subject to such redemption and indication of whether only particular categories of employees are subject to redemption: Effects of the cessation of the employment relationship on redemption.

To be added to this the amount of any Cash Bonus attributable to each Beneficiary pursuant to paragraph 4.2 of this Information Document and in line with Unieuro's dividend policy in force from time to time¹³.

The corresponding charge for the Company arising from the implementation of the Plan, depending on the number of Unieuro Shares effectively Allocated and the price of the Unieuro Shares at time of allocation, is

not quantifiable at the present time. It shall be disclosed pursuant to article 84-*bis* of the Issuers' Regulations.

The administrative and management expenses of the Plan are not yet quantifiable with precision. However, it is submitted that they shall not be significant.

4.13 Dilutive effect of the compensation plans on capital.

Any dilutive effects arising as a result of the implementation of the Plan depend on the Company's decision whether to realise the plan by way of Allocation from Company's existing share capital or by way of issuance of new shares pursuant to the provisions of articles 2349 and 2443 Civil Code.

In the event the maximum number of Shares serving the Plan are made available exclusively by issuance of new shares, then the diluting effect (in the event of any over performance) arising in relation to the Plan (inclusive of all three Cycles) shall be 4.1%, in the scenario that all stock options currently in circulation are exercised and in case of maximum allocation of stock grants pertaining to the 2020-2025 Performance Shares Plan.

4.14 Limits on the exercise of the right to vote and for the assignment of property rights.

As concerns the Shares that would be allocated under the Plan, there are no limits on the exercise of property rights and voting rights.

Shares subscribed to following the exercise of the Rights shall carry regular dividend rights.

4.18 Methods (American/European) timing (for example, any periods valid for exercise) and exercise clauses (for example knock-in and knock-out clauses).

Not applicable on grounds that the Plan envisages the free Allocation of Shares upon achievement of Performance Objectives.

4.19 Exercise price of the option or the manner and criteria for its determination, with particular regard to: a) the formula for calculating the exercise price in relation to fair market value (for example: exercise price at 90%, 100% or 110% of the market price), and b) the 26 methods for determining the market price taken as a reference for determining the exercise price (for example: the day's closing price on day before assignment, average of the day, average of the last 30 days, etc.).

Not applicable on grounds that the Plan envisages the free Allocation of Shares upon achievement of Performance Objectives.

4.20 Reasons for the difference in the exercise price compared to the market price as indicated in point 4.19 (fair market value).

Not applicable on grounds that the Plan envisages the free Allocation of Shares upon achievement of Performance Objectives.

4.23 Adjustments in the event of extraordinary capital transactions and other transactions involving a change in the number of underlying instruments.

The Board of Directors shall have the right, having heard the Remuneration and Appointments Committee, to vary or integrate the Plan in the most appropriate manner and as it deems useful or necessary to ensure better pursuit of the aim of the Plan and having regard to the interests of the Company and the Beneficiaries in the case of events such as:

- (i) transactions concerning the Company capital such as, but not limited to, capital reductions to account for losses through the cancellation of shares, increases of Company share capital, whether gratuitous or for consideration, offers to shareholders with or without option rights, possibly also to be conferred as a contribution in kind, any grouping or splitting of Shares as may affect the Shares;
- (ii) events or circumstances, including those caused by external factors (e.g., COVID-19) of an exceptional nature that have potential to or will affect the results and/or performance of the Company and/or the Group perimeters;
- (iii) mergers or company splits, purchase or sales of equity investments, companies or a part of company business; or
- (iv) legislative or regulatory changes or other events likely to affect the Rights, the Shares and/or the Company and the Group.

The Board of Directors may, having heard the opinion of the Remuneration and Appointments Committee, make all modifications and additions it deems necessary and/or appropriate to maintain unaltered the substantial and economic contents of the Plan itself, within the limits provided for by the legislation in force from time to time, autonomously and without any need to seek further approval at any Shareholders' Meeting.

More specifically, upon the occurrence of extraordinary events that materially impact on the performance scenarios on which the Performance Objectives in the Plan are based, the Board of Directors of the Company, upon the proposal of the Remuneration and Appointments Committee, may make apposite corrections to the Performance Objectives so that the substantial and economic contents of the Plan remain unvaried.

For the purposes of the foregoing, "extraordinary event" means: (i) any material change in the macroeconomic and/or competitive scenarios or any other extraordinary event having a material impact beyond the management's control; and/or (ii) the occurrence of any material adverse effect whether or not of an economic or financial nature, e.g., the effects of the Covid-19 emergency or high intensity events of belligerence.

Any variations to the Performance Objectives must be for the purpose of safeguarding the principles and guidelines which underpin the Plan and shall not be made to create undue advantages or penalties for either the Beneficiaries or the Company.

Any such decision shall be binding on the Beneficiaries.

If, during the Vesting Period:

- (i) any public bid to purchase or public tender to exchange the Shares were promoted;
- (ii) the listing of the Shares for trading on the electronic stock market (*Mercato Telematico Azionario*) organized and managed by Borsa Italiana S.p.A. were revoked;
- (iii) a Shareholder were to acquire control of the Company pursuant to and for the purposes of article 93 TUF;

the Board of Directors shall be entitled to grant the Beneficiaries the right to receive the Shares *pro rata temporis* and *pro rata* performance.
