Business Plan 2023-2025

The growth strategy

Robust pillars of the strategy represent a clear and cohesive plan

Strengthen our leadership

Develop the services and products offered by our companies to increase the Group's competitiveness in the digital solutions' market with strong emphasis on Digital marketing.

Coordination & Integration

Strengthen the integrated offer of products and services, improving internal synergies and Group coordination of the Customer Relationship Management and Sales & Marketing functions.

M&A + Internationalization

Confirm the growth path through targeted acquisitions, with a selection of assets guided by rigorous criteria of quality, solidity, innovation.

People + ESG

Enhance corporate culture, investing in people to support their skills, enhance engagement and attract new talent, increasing evermore a companywide culture in ESG.

Financial Policy

Maintain a close focus on the cost structure, the predictability of cash flows and the cost of debt, for a long-term sustainable growth strategy.

Strengthen our leadership

Digital Trust

- Expand the offer integrating towards a Digital Wallet
- Continue to develop cybersecurity features/functionalities as a distinguishing factor
- Identity certification of IoT (Internet of Things)
- Grow more internationally, specifically in Europe

Cybersecurity

- Focus on system integration service in the infrastructural areas (identity & access management, cloud security, application security, networking security, business continuity, IoT)
- Strengthen the offer in Advisory and Managed Security Services
- Increase presence in the Public Administration

Business Innovation

- To be positioned as a key player in Digital Marketing
- Increase *end-to-end* online customer activities (content marketing + marketplace mgmt.)
- Extend Temporary Management in Sales & Marketing
- Strengthen subsidized finance on regional and national tenders
- Development ESG plans and awareness in SMEs
- Grow internationally, specifically in Europe

✓ Coordination & Integration

- Increase and improve post M&A integration
- Simplify the corporate structure (see *recent Warrant reorganization*)
- Centralized CRM
- Foster cross/up-selling operational synergies within the organization
- Central coordination for the development of an integrated offer of the Group and the related “go to market”
- Leverage the Forvalue channel to strengthen the Group’s commercial strategy for services to SMEs

M&A + Internationalization

Tinexta's approach to M&A:

➤ Target check list/criteria

- Growing market segment
- Solid Business Fundamentals
- Strategic Fit & Finish
- Synergy analysis
- Disciplined Financial Policy
- Cash Flow generative

➤ Carrying out the deal

- Purchase - at least - a majority stake in a company
- Agree on strategic business plan with the seller
- Maintain key strategic managers to grow the business
- Regulate purchase completion via Earn outs/Put/Calls to align interest and support growth

➤ Key strategic markets: Spain, France, Germany and the Nordic countries

People + ESG

9 Countries, one Group

- **Skills** talent acquisition as a priority
- **Health & safety + welfare** all employees enjoy welfare coverage provided for either by the various collective contracts or by Company contracts
- **Responsible** supply chain
- **Tax transparency**
- **New offices** with a lighter footprint

393 new hires (40% women, 42% <30)
 266 external workers
 97% full-time workers in Italy (94% abroad)
 39% are women
 18% are under 30
Abide to the Code of Conduct and Human Rights Policy and a Diversity & Inclusion Policy

2,213 Employees

3 Business Units

Digital Trust revolutionized entire sectors, contributing to facilitating the lives of users, who have reduced the time required to complete various transactions, gaining in quality of life

Cybersecurity thanks to constant innovation, helps customers maintain high levels of cybersecurity, which must constantly respond to increasingly refined threats

Business Innovation can offer complete support to companies in their digital transformation process, demonstrating that they make innovation a driving force of their business model

1 Corporate Academy

Business Talks + Subject Matter Expert

To launch E-learning courses to focus employee population on ESG themes
29,508 hours of companywide training

- Business continuity
- Sustainability
- Green Finance
- Effective communication
- English proficiency
- Cyber Hackathon
- Cyber security (Phishing courses)

People + ESG

ESG

Significant leap forward in addressing all major ESG topics at a Group level

Major steps taken:

- **Established Internal & Permanent ESG committee** (regularly reporting to the Risk and Sustainability Control Committee + Board of Directors)
- Approved **6 ESG policies** at Group level
- Published Sustainability Policy - to provide full market disclosure - on cutting edge website
- Involved Corporate Functions, Business Units and Internal & External Stakeholders

2022 SUCCESSFULLY COMPLETED ACTIONS

ONGOING ACTIVITIES

- Data collection on the Non-Financial Reporting
- Definition of the Environment management process
- Measuring methods on energy consumption and CO₂ emissions

2023 OBJECTIVES

Reception and application within the Group of all Company Policies

People + ESG

Approved the Anti corruption Policy

ANTI CORRUPTION

Identified a data collection and monitoring system

CO² MONITORING

ESG

We have always looked towards **digitalization, technological innovation and the future**. For this reason, sustainability is integrated into all of the Group's activities and represents a founding element

Environmental

Various actions have been implemented to reduce the environmental impact of our activities on the planet.

Our efforts focus on two action areas: **Material and energy resources** and **Greenhouse gas emissions**.

➤ Action tool: **Environmental Policy**

Social

We are aware that responsible management also includes the social sphere. This is why we are working to ensure the creation of an inclusive environment that considers diversity as a value to be safeguarded.

Our efforts focus on two action areas: **Inclusiveness and equality** and **Working conditions and environment**.

➤ Action tool: **Diversity & Inclusion + Human Rights Policies**

Governance

Sustainable approach means a strategy based on the principles of integrity, transparency, legality, impartiality and prudence, as well as compliance with laws and regulations, both mandatory and voluntary.

Our efforts focus on two action areas: **Regulatory compliance and Transparency and integrity**

➤ Action tool: **Anti-Corruption + Tax Policies**

Financial Policy

Growth in quality revenues

- Continue to expect sound organic growth in line with prior years
- Financial structure even more ready to capture future growth thanks to significant cash on hand from CIM disposal

Improve operational efficiency by increasing EBITDA

- Operating leverage
- Cross-selling + synergies

EPS & DPS growth

- D&A mostly in line with prior years
- Financial Expenses entirely covered by bank deposit given cash on hand
- EPS at historical high given capital gain from CIM's sale
- DPS increased, signaling very attractive shareholder return

Strong cash generation

- Continuing strong cash conversion
- No substantial changes in Capex
- Closely monitoring of NWC management
