**Innovatec S.p.A.**, an investment holding company listed on Euronext Growth Milan (BIT: INC, ISIN: IT0005412298) is active in the fields of energy efficiency and environmental sustainability. In a competitive environment where social responsibility and environmental sustainability issues are becoming increasingly central, Innovatec aims to strengthen its resilience and become a leading player in sustainability through the responsible and efficient use of resources by linking energy and renewable energy efficiency with the materials cycle, recovery and recycling and waste. Innovatec operates at 360 degrees, offering innovative end-to-end solutions that respond in a customised and comprehensive manner to its customers' needs in the circularity and sustainability business. With a proposal that integrates energy efficiency, renewables and environmental services from industrial waste recovery to recycling, Innovatec provides concrete support to other companies in improving their circularity and reducing their carbon footprint by aiming for compatibility between development and land preservation.
