The forecasts and forward-looking statements included in this document are necessarily based upon a number of assumptions and estimates that are inherently subject to significant business, operational, economic and competitive uncertainties and contingencies as well as assumptions with respect to future business decisions that are subject to change. By their nature, forward-looking statements involve known and unknown risks and uncertainties, because they relate to events, and depend on circumstances, that may or may not occur in the future. Furthermore, actual results may differ materially from those contained in any forward-looking statement due to a number of significant risks and future events which are outside of the Company's control and cannot be estimated in advance, such as the future economic environment and the actions of competitors and others involved on the market. These forward-looking statements speak only as at the date of this Presentation. The Company cautions you that forward looking-statements are not guarantees of future performance and that its actual financial position, business strategy, plans and objectives of management for future operations may differ materially from those made in or suggested by the forward-looking statements contained in this Presentation. In addition, even if the Company's financial position, business strategy, plans and objectives of management for future operations are consistent with the forward-looking statements contained in this Presentation, those results or developments may not be indicative of results or developments in future periods. The Company expressly disclaims any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.

By accepting this Presentation, you acknowledge and agree to be bound by the foregoing terms, conditions, limitations and restrictions.

9M2023 RESULTS HIGHLIGHTS

Persistent growth in sales +12.7% and EBITDA improving more than double than revenues at +26.5%, strong margin increase at 39.2% on sales

- Consolidated Revenues at 96.2 M€, +12.7% compared to the same period of the previous year (85.3 M€ in 9M 2022), thanks to the organic growth, contracts extension, the acquisition of new customers, cross selling of customers and Lansol and Global Access contribution;
- Consolidated Adjusted EBITDA at 37.7 M€, +26.5% compared to the same period of the previous year (29.8 M€ in 9M 2022), registering a more than a proportional growth compared to revenues, thanks to the concentration in Cloud services, the level of optimisation achieved in the organisation of processes and operational services, cost synergies and the continuous improvement of the margin of the acquired companies; margin on revenues at 39.2% in 9M2023 (35.5% in FY2022);
- Consolidated Adjusted EBIT at 21.0M€, +36.8% compared to the same period of the previous year (15.4 M€ in 9M 2022), with a margin on revenues at 21.9% (19.5% in FY 2022); depreciation and amortization at 16.7 M€, with an increase of 2.5 M€ compared to the same period of 2022;
- Adjusted Net Profit at 11.6 M€, +21.6% compared to 9M 2022 (9.6 M€ in 9M 2022); this figure was impacted by increased net financial expenses on the same period of the previous year, mainly due to the interest on the Euro 20.0 M€ variable-rate bond signed in December 2022;
- Adjusted Net Financial Position (including IFRS 16 impact for approx. 11.0 M€): debt of 199.5 M€ (180.8 M€ at December 31, 2022); the amount includes, in particular: the Global Access acquisition for 7.3M€, new investments in Capex for 18.2M€, payment of dividends for 7.8M€, balance of the equity investment in ERPTech for 0.7 M€, Treasury Shares Buy Back of 15.2 M€ and the sale of Treasury Share for 6.7M€. The value doesn't include the valuation of treasury shares in portfolio quantified in 27.9 M€ at market value as at September 30, 2023.

EBITDA margin Adj. of 39.2% in 9M23

(EBITDA margin Adj. of 36.3% in 9M22)

Financial Highlights

- Concentration on Cloud services, optimized processes and operating services organization;
- Adjusted Operating Costs of approximately 31.8M€ show a decrease of 1.8 M€ compared to 9M 2022. This change is mainly attributable to the cost synergies related to the acquired companies more than compensating marketing and communication costs to support the growth in Italy and Germany;
- Personnel costs of approximately 25.0M€ show an increase of 4.0 M€ compared to 9M 2022. This change is mainly attributable to the new scope of consolidation, particularly in Germany, and to the investments in Corporate and commercial structure;
- WIIT Group's margin significantly improving in 9M 2023 vs FY 2022, thanks to the focus on value-added services and cost synergies in Italy and in Germany and to the sales rationalization in Italy.
- EBITDA Margin:
 - Italy 46% vs 37.5% in FY 2022 (52% in 3Q23)
 - Germany 33.9% vs 33.6% in FY 2022 (34% in 3Q23), mainly due to the contribution of Lansol
