PRESS RELEASE

NEW ORDINARY MAINTENANCE CONTRACT AWARDED IN BOLOGNA FOR OVER 4 MILLION EURO FROM AUTOSTRADE PER L'ITALIA

Agreement worth € 4,083,408.45 signed for routine and recurring maintenance on the DT3 - Bologna motorway section

Naples – 10th January 2024 - Edil San Felice S.p.A. Società Benefit ("the Company" or "Edil San Felice"), a leading integrated operator active in the maintenance of critical infrastructures in Italy - listed on the Euronext Growth Milan market - announces that it has been awarded a contract by **Autostrade per l'Italia**, for a total value of EUR **4,083,408.45**, for routine and recurring maintenance in the **DT3 - Bologna** direction section of the motorway.

The agreement, with a **2-year duration** and a **renewal option for a maximum of 24 months**, was signed following the participation and awarding of a European open tender promoted by Autostrade per l'Italia. Work is scheduled to start in the first quarter of this year.

This award represents a further step for Edil San Felice in the expansion of its ordinary and recurring maintenance activities outside the Campania region, in line with the strategic growth lines promoted at the IPO. The new operational headquarters in Bologna has allowed the company to expand its capillarity throughout the country and act as a reference partner for the main motorway clients in the field of ordinary and extraordinary maintenance also in the centre-north of the country.

*"This order not only strengthens our position in the field of routine maintenance in Italy, but also confirms that our growth path as a leading operator on a national scale is continuing in the right direction, - comments **Lorenzo Di Palma**, CEO of Edil San Felice - The investment made with the opening of the new operational headquarters in Bologna has allowed us to increase our capillarity and consequently our competitiveness outside of Campania, thus also guaranteeing us growth in terms of margins."*

This press release is available on the Company's website <https://www.edilsanfelice.it/> in the Investor Relations - Press Releases section and at <https://www.emarketstorage.it/it>.
