2023 was a **very successful year also for cash equity options**, where **EQUITA ranked #1 in the overall ranking** with a **17% market share**, significantly higher than the 9% recorded in 2022.

Mr. Abbagnano and Mr. Rho added: *“The report published by AMF Italia confirmed our leadership among independent brokers in Italy not only in equities and bonds. This increase in positioning is the result of the diversification strategy executed by our trading floor, year after year”.*
