The personal identity of the person appearing before me was known to me, Notary Public.

The Chairman stated that UniCredit S.p.A., in accordance with the provisions of Law no. 18 of 23 February 2024, which ratified and amended Decree Law no. 215 of 30 December 2023 (known as the "Thousand Extensions Decree"), including extending - in article 3, paragraph 12-*duodecies* - until 30 April 2024 the provisions on holding shareholders' meetings originally established by the so-called Cure Italy Decree (art. 106 of Decree Law no. 18 of 17 March 2020, as ratified and amended by Law no. 27 of 24 April 2020), has decided to make use of the right that the participation of shareholders in shareholders' meetings (hereinafter, the "Meeting") shall be exclusively through the Designated Proxy Holder pursuant to article 135-*undecies* of Legislative Decree no. 58 /98 (Consolidated Law on Finance), without them being physically present.

The notice of call of the Meeting containing the agenda and acknowledging the procedures herein referred to was published on the Company's website and made available to the public on 1 March 2024, in accordance with the procedures provided for by

current laws and regulations.

The Chairman asked me, Notary Public, pursuant to clause 16 of the Articles of Association and section 2375 of the Italian Civil Code, to draft the minutes of the ordinary and extraordinary sessions of the Meeting, in the form of a public deed.

Given the methods to be used for the Meeting, the Chairman asked that I, Notary Public, include the complete text of his annual welcome to shareholders.

"Dear Shareholders,

It is a pleasure to welcome you to our AGM.

I am delighted to reflect on another year of first-class delivery by UniCredit Group, building on two previous years of executing on our transformation strategy, UniCredit Unlocked.

That strategy as set by our CEO is bearing fruit.

UniCredit is now a radically transformed bank, one that is confident, forward-looking, and focused on fulfilling our vision: to be the bank for Europe's future.

The last three years have not been easy for Europe's economy. UniCredit Unlocked emerged during a period of high market uncertainty following the havoc of Covid-19, followed quickly by high inflation.

Despite this turbulence, UniCredit has maintained its commitment to transforming. We have united behind a shared culture and unlocked the inherent strengths of our 13 markets to empower communities to progress.

Our results have been exemplary. We have achieved 12 quarters of profitable, quality growth.

At the same time, we have continued to support our communities across Europe. UniCredit Per L'Italia and our partnerships across all our markets through our Foundation with Teach for All and JA Europe are just some examples.

We remained focused on the future.

Now that we are a stronger bank, we can act, rather than just re-act. This means we can build on our progress to date and support our clients through whatever new challenges arise.

Our transformation is not over yet. We believe we need to drive further change if we are to deliver the best possible results for our clients.

We have identified the levers we will pull to deliver that change.

We will improve our governance model to enable more open, transparent decision making.

We have our eyes fixed on the macro changes we can expect in the coming years. We will capitalise on new opportunities emerging from Europe's net zero transition and related investments in green industries. As Europe becomes more integrated, this will give UniCredit a greater ability to support businesses trading and expanding across EU nations.

Within this, we will strive to be a key actor in supporting businesses as the European economy continues to recover. We will do this through initiatives such as NextGenerationEU, where we

will be able to catalyse Europe's growth through financial resources and improved resilience.

And we will put the newest commercially available technologies to work in our bank. Artificial Intelligence is making an impact in financial services already - UniCredit will be ready to take advantage of this potentially revolutionary technology for the benefit of customers and our people.

Our foundation for this work will be our own stable and sustainable transformation, led by our CEO whose leadership over the last three years has been central to our performance and with the full support of a new Board of Directors, who brings with them the right mix of experience and skills, offering a comprehensive understanding of UniCredit's key business domains and primary markets.

UniCredit is a transformed bank that is in a unique position to be the bank for Europe's future.

I look forward to another excellent year across our Group.

Thank you."

Similarly, and again in view of the manner in which the meeting was held, he provided me, Notary Public, with the text of the introductory greetings that the Chief Executive Officer intended to address to the shareholders, and asked me to reproduce it in full in these minutes:

"Dear Shareholders, I am delighted to be here, to begin my second term as UniCredit CEO. This is a bank with which I have a long history, both on the outside and now the inside, and I am so proud of what we have achieved together in the past three years. To be appointed UniCredit CEO for the first time, as I was in 2021, means that people are willing to take a chance on you. To be appointed again, for a second time, means that you believe in the journey we are on, that you stand behind the vision we have set out and that you trust me to execute it. This is an incredible honour, I want you to know that I did not take it for granted and I will continue to work relentlessly to earn this trust. We must now look ahead to the future and reflect on what efforts we must make to continue to exceed expectations and achieve extraordinary results for everyone who has a stake in UniCredit's future, for all our stakeholders and for our communities. The last 12 months have shown how far we have come in transforming UniCredit. It is a testament to what we have achieved together in the last three years. Our successes were not easily won, nor were they a foregone conclusion, on the contrary. Many thought the goals we set in UniCredit Unlocked were simply unachievable, that UniCredit was too difficult to transform, that we were being far too ambitious. Whereas I was absolutely determined that we would prove them wrong. We spent the last three years working tirelessly on driving UniCredit Unlocked forward. Last year, we saw the results of our efforts: we didn't just hit our goals; we surpassed them. We delivered our twelfth quarter of profitable

growth, achieving the best results in UniCredit's history. We generated €12 billion in capital organically, underpinning our proposed distribution of €8.6 billion. And we have delivered all of this despite continuing to invest in our future and building lines of defence. 2023 showed that UniCredit is unquestionably a true leader in the banking sector. I don't intend to stop there. The achievement of the targets set out in UniCredit Unlocked were never the destination, they were a step in the journey to continuous improvement and achieving our vision. I have full confidence in UniCredit's potential and what we can achieve; we will be relentless in our determination to improve. This is the culture I want to spread across all levels of our Group during my second term as CEO. We have made excellent progress in the last three years, but our transformation journey is not over. The more I see of our people, the more I am certain that we have the hunger, the talent and determination across the group to push it forward as we come together as one. None of our many achievements in the last three years would have been possible without the continued hard work, commitment, belief and ambition of everyone who works at UniCredit. As I have said before, our culture has fortified our transformation so far, and it will become ever more critical as we move to the next phase. I am sure there will be challenges ahead of us. But I also know that, together, we can face any obstacle and that we will continue to lead the European financial sector as leaders. Our ultimate goal, our greatest ambition is to be the bank for Europe's future, to be forward_thinking and set a new benchmark for what a European bank should be and should do. Our challenge for 2024 and beyond is to continue to improve our performance, break more records, and always go beyond our goals and the expectations of the market, our customers and our people. I don't take my position for granted. I see it as something that you have to continually earn. That is why I will continue to work tirelessly to repay the trust you've put in me."

He then stated that:

- besides himself, the Chairman, no other member of the Board of Directors was present;
- the Board of Statutory Auditors was present in its entirety, in the persons of the Chairman Mr. Marco Giuseppe Maria Rigotti and the Standing Auditors Ms. Antonella Bientinesi, Mr. Claudio Cacciamani, Ms. Benedetta Navarra and Mr. Guido Paolucci.

The following were also present:

- Mr. Alberto Elia, representing Computershare S.p.A., the company chosen by UniCredit S.p.A. as the Designated Proxy Holder;

 - management staff from the Company, with organisational roles.
- The audit firm KPMG S.p.A. was represented by Messrs:
- Francesco Pizzutilo, Davide Gorno and Bruno Verona.

He stated that the share capital as of today's date was €21,367,680,521.48 (twenty-one billion three hundred and sixty-seven million six hundred and eighty thousand five hundred and twenty-one point four eight) and was represented by 1,681,835,671 (one billion six hundred and eighty-one million eight hundred and thirty-five thousand six hundred and seventy-one) shares with voting rights.

The Chairman also indicated that:

- the compliance of proxies with the current provisions had been verified;
- 1,157,068,390 shares with voting rights were currently represented through the Designated Proxy Holder - equal to 68.797946% of the share capital - for 4,237 shareholders who had given their proxies to the aforesaid Designated Proxy Holder;
- based on the information available, there were no situations that would prevent the exercise of voting rights under current rules and regulations.

The Meeting was thus duly established and able to pass valid resolutions on the items on the agenda in a single call in ordinary session, in accordance with the law and the Articles of Association.

The Chairman then stated that:

- based on the contents of the Register of Shareholders, as updated for notices received pursuant to the law and for checks carried out for the purposes of admission to voting, there were currently approximately 216,000 registered shareholders;
- according to the information known to the Company and based on the results on CONSOB's website, the following shareholders held, directly or indirectly, more than 3% of the capital represented by shares with voting rights at this Meeting:
 - ..BLACKROCK GROUP - 114,907,383 non-discretionary asset management shares equal to 6.832% of the share capital;
 - ..ALLIANZ GROUP - 69,622,203 shares equal to 4.140% of the share capital.

The Chairman said that the proxies had been received by Computershare S.p.A. in its capacity as the Designated Proxy Holder, as per the methods indicated in the notice of call.

He indicated that the results of the voting on all items on the agenda of this Meeting, both in ordinary and extraordinary session, would be provided by Computershare S.p.A. in its capacity as manager of Meeting proceedings and that the voting system would generate the necessary documents to be annexed to the minutes and in particular:

- the lists of shareholders present by proxy;
- the separate lists for the different types of vote cast.

He then stated the "Report on Corporate Governance and Ownership" as provided for by article 123-*bis* of the Consolidated Law on Finance (*TUF*) and the "Integrated Report" drafted pursuant to Legislative Decree no. 254/2016, had been made available to shareholders and the market in accordance with the deadlines and

methods required by Law.

In accordance with the Bank of Italy's Prudential Supervisory Provisions for Banks, he announced that the internal policies on the control of risk activities and conflicts of interest involving associated parties had been updated most recently on 8 November 2023 and published on the Company's website.

He also stated that all the information for the various agenda items for this Meeting had been published and made available in accordance with the deadlines and methods required by Law.

He noted that, pursuant to article 3, paragraph 2 of the Meeting Regulations, an audio recording of the Meeting would be made.

He then said that Mr. Marco Bava, Ms. Carla Casalegno, Mr. Gianluigi De Marchi, Mr. Pier Domenico Delpiano, Mr. Gianluca Fiorentini, Mr. Stefano Guerrieri, Mr. Tommaso Marino, Mr. Bartolomeo Mario Petrillo, Mr. Francesco Santoro, Mr. Gianni Vernocchi, the Liberiama la Basilicata Association jointly with the Comitato Aria Pulita Basilicata Onlus and Mr. Elman Rosania, BankTrack, Fondazione Cassa di Risparmio di Torino and ReCommon had exercised their right to ask questions, pursuant to article 127-ter of the Consolidated Law on Finance (*TUF*).

In this regard, he reported that, in accordance with the aforementioned article, the Company had published on its website on 9 April 2024 a document containing the answers to the questions submitted by the relevant deadline by shareholders with the right to ask questions, which were considered relevant to the items on the agenda for this Meeting.

The Chairman also stated that on 16 March 2024 the Company had received a letter from a shareholder, Mr. Francesco Santoro, that the shareholder himself labelled as a complaint to the Board of Statutory Auditors pursuant to section 2408 of the Italian Civil Code. He thus invited Mr. Marco Giuseppe Maria Rigotti, Chairman of the Board of Statutory Auditors, to take the floor:

"With reference to the aforementioned communication from Mr. Francesco Santoro, labelled by him as a complaint pursuant to section 2408 of the Italian Civil Code and received by the Company by certified email on 16 March 2024 - and therefore not referred to in the report of the Board of Statutory Auditors to the Shareholders' Meeting of 12 April 2024, which takes into account the complaints received in the period between 6 March 2023 and 11 March 2024 - in which the shareholder claims the illegitimacy of the faculty to invoke article 106 of Legislative Decree no. 18/2020, which provides that shareholders can only be present at the Shareholders' Meeting exclusively through the Designated Proxy Holder, the Board of Statutory Auditors established on 19 March 2024 that, contrary to the shareholder's claim, the Company had legitimately exercised the faculty provided for in article 106 of the aforementioned Decree. In particular, this Meeting is being held in accordance with the aforementioned special provisions of Law no. 18 of 23 February 2024, which extended the deadline for their

implementation to 30 April 2024."

The Chairman reported that the audit firm KPMG S.p.A. had requested an increase in the amount due for the statutory audit of the financial statements and consolidated financial statements, which was quantified at €517,000.00 (five hundred and seventeen thousand point zero zero) for the financial year ending 31 December 2022 and at Euro 539,000.00 (five hundred and thirty-nine thousand point zero zero) for the financial year ending 31 December 2023. The following were the reasons for the adjustment:

- introduction of new accounting standards ISA 540 "Auditing accounting estimates and related disclosures" and ISA 315 "Identifying and assessing the risks of material misstatement";
- mergers into UniCredit S.p.A. of Cordusio SIM SpA, UniCredit Services ScpA and Crivelli Srl;
- change in the valuation criteria for plant, property and equipment (IAS16) from the cost criterion to the revaluation model and for investment property (IAS) from the cost model to the fair value model.

The Board of Directors, considering KPMG S.p.A.'s request to be justified, congruent and in compliance with the contractual requirements, approved it at its meeting on 5 July 2023.

The Chairman then moved on to discuss the items on the agenda of the Meeting in ordinary session, specifying that, also in accordance with the practice adopted in previous shareholders' meetings, he would omit the full reading of the relevant documents (including the Financial Statements) and the related Reports since all these documents had been made available to the public according to the methods and deadlines established by Law.

He stated that the Supervisory Authorities, having been informed in advance of the proposals submitted to today's Meeting in ordinary session for approval, had granted the necessary authorisations referred to in the texts of the resolution for item 4 on 11 April 2024.

With reference to **item one** on the agenda in ordinary session relating to the approval of the 2023 Financial Statements, the Chairman recalled that the Directors' Report, the Report drafted by the Independent Auditor KPMG S.p.A and the Report by the Board of Statutory Auditors had been duly published in accordance with the law, together with the documentation pertaining to the financial statements, and therefore would not be read out.

The Chairman invited me, Notary Public, to read out the text of the resolution proposal that the Meeting was being asked to vote on:

"The Shareholders' Meeting of UniCredit, in ordinary session, having acknowledged the contents of the draft of 2023 Financial Statements approved by the Board of Directors,

"The Shareholders' Meeting of UniCredit, in ordinary session, having acknowledged the Board of Directors' proposal

resolves to:

appoint the Directors and, among them, appoint the members of the Audit Committee."

The Chairman recalled that the outgoing Board of Directors had chosen to avail itself of the faculty established by the Articles of Association to submit to shareholders its own list of candidates, whose individual characteristics and requirements were published on the Company's website on 1 March 2024. In addition to the Board's list (referred to as List 1), there was a list submitted by a number of funds (referred to as List 2). The candidates' CVs were published on the Company's website.

For both lists, the Chairman indicated that they had been submitted, filed and published in accordance with the deadlines and methods established by current provisions and the Articles of Association. In this regard, he recalled that, pursuant to the Articles of Association:

- a) from the first section of the list that received the majority of votes, a number of Directors would be chosen - based on the progressive order on which they appeared on the list - equal to the number of Directors, excluding the members of the Audit Committee, reduced by two;
- b) from the second section of the list that received the majority of votes, three Directors - once again in progressive order - who would be members of the Audit Committee would be selected, as the current meeting had resolved to elect 4 members to the Audit Committee;
- c) the remaining two Directors, who would not be members of the Audit Committee, would be taken - according to the progressive order in which they appeared on the list itself - from the first section of the list that obtained the highest number of votes among the minority lists and that was not connected in any way, not even indirectly, with the shareholders who presented or voted for the list that came first in terms of number of votes;
- d) the final Director who would be a member of the Audit Committee would be taken, once again in progressive order, from the second section of the list that obtained the highest number of votes among the minority lists and that was not connected in any way, not even indirectly, with the shareholders who presented or voted for the list that came first in terms of number of votes. The first Director listed in this section would be the Chairperson of the Audit Committee.

If a section of the majority list did not have a sufficient number of candidates to ensure that the number of directors to be elected was reached, all the candidates from the section of the majority list would be elected and the remaining directors would be drawn from the corresponding section of the minority list in the order in which they appeared in the section of the list.

The Chairman recalled the duration of the term in office for Directors was set by clause 20 of the Articles of Association as three operating years.

The Chairman thus announced that the proposal concerning the delegation to the Board of Directors to carry out a free capital increase to service the 2023 Group Incentive System and other forms of variable remuneration as well as the consequent integration of clause 6 of the Articles of Association had been approved.

The details of the votes cast, highlighting the shareholders who had voted against the motion and abstained, and the relevant number of shares owned, were available and would be annexed to the minutes of this Meeting.

With reference to **item three** on the agenda in extraordinary session concerning the delegation to the Board of Directors of the power to approve a free capital increase to service the 2020-2023 LTI Plan and consequent integration of clause 6 of the Articles of Association, the Chairman recalled that the Directors' Report had been duly published in accordance with the terms of law and then invited me, Notary Public, to read out the text of the resolution to be voted on by the Meeting:

"Having acknowledged the report made by the Board of Directors, the extraordinary Shareholders' Meeting of UniCredit S.p.A., resolves:

- to grant the Board of Directors, under the provisions of article 2443 of the Italian Civil Code, the authority to resolve in one or more instances in 2025 to carry out a free capital increase, as allowed by article 2349 of the Italian Civil Code, for a maximum amount of 1,500,000 ordinary shares, to be granted to employees of UniCredit S.p.A. and of Group Banks and Companies, who hold positions of particular importance in execution of the 2020-2023 Long Term Incentive Plan. Such capital increase would be carried out using the special reserve known as "Provisions Linked to the Medium Term Incentive System for Group Employees" which, where appropriate, may be restored or increased via allocation of profits or a portion of available statutory reserves, formed through the allocation of company profits, that shall be identified by the Board of Directors at the moment of shares issuance.

- to grant the Board of Directors the authority to determine, when executing the delegated capital increase pursuant to Article 2443 of the Italian Civil Code referred to in the previous point, the actual amount of the value of the capital increase on the basis of the implied nominal value of the shares issued at the time each capital increase is executed;

- to insert, further to the resolution passed in the previous points, a new last paragraph to clause 6 of the Articles of Association with the following text: "The Board of Directors has the power, under the provisions of article 2443 of the Italian Civil Code, to resolve, in one or more occasions in 2025, to carry out a free capital increase, as allowed by article 2349 of the Italian Civil Code, for a maximum 1,500,000 ordinary shares, to be granted to employees of UniCredit and of Group Banks and Companies who hold positions of particular importance in execution of the 2020-2023 Long Term Incentive Plan."

- to delegate to the Board of Directors all the necessary powers for issuing the new shares as well as consequently amend the Articles of Association;

- to confer to the Chairman, to the Secretary of the Board of Directors and to the Head of People Succession, Analytics & Rewards, also separately and with the faculty to sub-delegate the Executive Staff of the Head Office, every opportune power of attorney to:

(i) implement the above resolutions in accordance with the law;
(ii) accept or adopt all amendments and additions (not changing substantially the content of the resolutions) which should be necessary for registration at the Register of Companies;

(iii) proceed with the deposit and registration, under terms of law, with explicit and advanced approval and ratification, of the adopted resolution and of the text of the Articles of Association updated as aforementioned."

The Meeting then voted on item three on the agenda in extraordinary session.

The Chairman noted the quorum he had announced at the beginning of the Meeting had remained unchanged.

The Computershare S.p.A. representative thus provided the results of the vote to the Chairman, who asked me to read them out:

- 1,155,952,593 votes for, corresponding to 99.911726% of the share capital present and entitled to vote and 68.731602% of the share capital;

- 545,277 votes against, corresponding to 0.047130% of the share capital present and entitled to vote and 0.032422% of the share capital;

- 476,026 abstentions, corresponding to 0.041144% of the share capital present and entitled to vote and 0.028304% of the share capital.

A total of 1,156,973,896 shares were counted in the vote.

A total of 94,494 shares were not counted in the vote, in accordance with article 135-*undecies*, third paragraph of the Consolidated Law on Finance (*TUF*) as the proxies received did not contain voting instructions for this agenda item.

The Chairman thus announced the proposal concerning the delegation to the Board of Directors of the power to approve a free capital increase to service the 2020-2023 LTI Plan and consequent integration of clause 6 of the Articles of Association had been approved.

The details of the votes cast, highlighting the shareholders who had voted against the motion and abstained, and the relevant number of shares owned, were available and would be annexed to the minutes of this Meeting.

With reference to **item four** on the agenda in extraordinary session concerning the cancellation of treasury shares with no reduction in share capital and the consequent amendment to clause 5 of the Articles of Association as well as the consequent and inherent resolutions, the Chairman recalled that the Directors' Report had been duly published in accordance with the law and then invited me, Notary Public, to read out the text of the resolution to be voted on by the Meeting:

"The extraordinary shareholders' meeting, having evaluated the proposal of the Board of Directors,

resolves:

1. to cancel any UniCredit shares that will be acquired in accordance with the shareholders' meeting's authorization resolved in ordinary session up to a maximum of UniCredit shares in total not exceeding no. 200,000,000 shares of the Company, and to delegate the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent for role and regulation, either jointly or severally, to (i) determine the effective number of treasury shares to be cancelled in accordance with the purposes set forth in the relevant explanatory report of the Board of Directors; and (ii)

carry out such cancellation in more transactions or in a single transaction, in any case no later than the first date between: (a) the date of dividend's distribution, if any, for the year ending on 31 December 2024 and (b) 31 July 2025, and to carry out any action necessary or appropriate for this purpose;

2. to proceed with the above-mentioned cancellation without recording any profit or loss in the income statement and without any impact on the net equity of the Company, without prejudice to the amount of the share capital, with a consequent automatic increase in 'accounting par value' of the shares issued by the Company;

3. to approve, as of now, following the execution of the cancellation of treasury shares referred to in points 1 and 2 above, the amendment of clause 5, paragraph 1, of the Articles of Association as regards to the number of shares into which the share capital of UniCredit S.p.A. is divided, indicating in the same paragraph the number of shares that will actually exist as a result of the execution of any cancellation and to grant to the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent for role and regulation, either jointly or severally, to amend the above-mentioned provision of the Articles of Association by updating the number of such shares and to take any necessary or appropriate action in this regard;

4. to insert, as a result of the resolutions adopted preceding points, a new last paragraph in clause 5 of the Articles of Association with the following text: "The Extraordinary shareholders' Meeting held on 12 April 2024 approved the cancellation of maximum no. 200,000,000 UniCredit treasury shares, granting delegation to the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent for role and regulation, either jointly or severally, to carry out such cancellation, in one or more transactions, within the first date between (a) the date of dividend's distribution, if any, for the year ending on 31 December 2024 and (b) 31 July 2025, to amend accordingly the number of shares indicated in paragraph 1 of this clause, thereby reducing it for the number of shares effectively cancelled, and to proceed, once the cancellation transactions have been completed, with the repeal of this paragraph."

5. to grant delegation to the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent for role and regulation, either jointly or severally, to carry out, following the completion of the cancellation transactions referred to in points 1 and 2, the repeal of the above-mentioned new last paragraph of clause 5 of the Articles of Association;

6. to grant the Chairman of the Board of Directors, the Chief Executive Officer and the Executive Personnel of the Company competent by role and regulation, either jointly or severally,

all appropriate powers to: (i) implement the above resolutions in accordance with the law; (ii) accept or introduce into the same any amendments or additions (which do not alter the substance of the resolutions adopted) which are required for filing with the Companies' Register or by the Authorities or necessary and/or appropriate for the implementation of laws and regulations; (iii) file and register, in accordance with the law, with an explicit and advance declaration of approval and ratification, the resolutions adopted and the text of the Articles of Association updated as per the above."

The Meeting then voted on item four on the agenda in extraordinary session.

The Chairman noted that the quorum he had announced at the beginning of the Meeting had remained unchanged.

The Computershare S.p.A. representative thus provided the results of the vote to the Chairman, who asked me to read them out:

- 1,137,223,052 votes for, corresponding to 98.292888% of the share capital present and entitled to vote and 67.617965% of the share capital;
- 18,498,824 against, corresponding to 1.598897% of the share capital present and entitled to vote and 1.099919% of the share capital;
- 1,252,020 abstentions, corresponding to 0.108215% of the share capital present and entitled to vote and 0.074444% of the share capital.

A total of 1,156,973,896 shares were counted in the vote.

A total of 94,494 shares were not counted in the vote, in accordance with article 135-*undecies*, third paragraph of the Consolidated Law on Finance (*TUF*) as the proxies received did not contain voting instructions for this agenda item.

The Chairman thus announced the proposal concerning the cancellation of treasury shares with no reduction of share capital and the consequent amendment of clause 5 of the Articles of Association had been approved.

Finally, the Chairman clarified that, in view of the cancellation of treasury shares decided by the Extraordinary General Meeting of 27 October 2023 and implemented by a decision of 26 March 2024, the last paragraph of clause 5 referred to in the Directors' Report on this agenda item had already been cancelled as of that date. Therefore, the new last paragraph approved by the Meeting was paragraph number 5.

The details of the votes cast, highlighting the shareholders who had voted against the motion and abstained, and the relevant number of shares owned, were available and would be annexed to the minutes of this Meeting.

Since there were no further matters to resolve on and nobody asked to speak, the Chairman thanked everyone for attending and adjourned the Meeting at 11.13 AM.

The following documents are attached to these minutes, signed by the appearing party and by myself, Notary Public:

1. lists of shareholders represented by proxy at the Meeting, attached as **A/1** ordinary session and **A/2** extraordinary session;
2. the new wording of the Company's Articles of Association containing the approved amendments, attached as **"B"**;
3. the results of the voting on all agenda items, attached as **"C"**;
4. the assessment issued by the competent Supervisory Authorities pursuant to article 56 of the Consolidated Law on Banking (*TUB*), drafted in English and translated into Italian under the supervision of myself, Notary Public, in a single booklet, attached as **"D"**.

The person appearing before me has dispensed me from reading out all of the annexes, having stated full knowledge of them.

I have read out this deed to the person appearing before me who, at my request, has declared it consistent with his intentions and together with me, Notary Public, signs it.

Drafted and typed by a person trusted by me on nine sheets of paper for a total of thirty-three pages and up to this point on the thirty-fourth page, plus a small part written by myself, Notary Public.
