The Chairperson therefore moves on to discussion of the fourth item on the Agenda:

"4. APPROVAL OF THE PROPOSAL FOR AUTHORISATION FOR THE PURCHASE OF TREASURY SHARES IN ACCORDANCE WITH ARTICLE 2357 OF THE CIVIL CODE";

The Chairperson recalls that the topic is covered in the Board of Directors' report prepared in accordance with Article 73 and Annex 3A, Schedule 4, of the Consob Issuers' Regulation.

The Chairperson states that the authorisation for purchase is granted for a period of 18 (eighteen) months from the date on which this resolution is passed, whereas authorisation of disposition is granted without time limits and may be exercised on one or more occasions, in order to permit the above purposes to be achieved.

The Chairperson also point out that the Company is not undertaking the purchases with the intention of reducing share capital by cancelling the treasury shares purchased, without prejudice to the Company's right, where a reduction in share capital is approved by the Shareholders' Meeting on a future date, to execute such a reduction by cancelling treasury shares in portfolio.

The Chairperson therefore submits the Board of Directors' motion to the Shareholders' Meeting:

"The Ordinary Shareholders' Meeting of Avio S.p.A.:

- having regard to Article 132 of Legislative Decree No. 58 of February 24, 1998, as amended and supplemented;

- having regard to Article 144-bis of the Regulation adopted by Consob with Resolution No. 11971 of May 14, 1999, as amended and supplemented;

- having regard to Articles 2357 and 2357-ter of the Italian Civil Code;

- noting that, at today's date, Avio S.p.A. has in portfolio 1,091,207 treasury shares with no voting rights pursuant to Article 2357-ter of the Civil Code, equal to approx. 4.14% of the number of shares comprising the share capital;

- having regard to the Directors' Report on this point of the Agenda;

- having regard to the Avio S.p.A. financial statements as at and for the year ended December 31, 2023 just approved,

resolves

1) to authorise the purchase of treasury shares in the Company, in one or more instalments, pursuant to Articles 2357 and 2357-ter of the Civil Code, in amounts at the Board of Directors' full discretion, up to a maximum of 5.3% of the share capital, and to undertake one or more acts of disposition of the shares held, including those purchased in execution of this resolution, under the following conditions:

a) the authorisation is limited to purchases to be undertaken for the purposes illustrated in the Directors' Report;

b) in any event, the treasury shares will be purchased for a price per share not more than 10% (ten percent) below and not more than 10% (ten percent) above the reference price recorded on the

STAR segment of the Euronext Milan stock exchange on the day before each purchase transaction, or for a different price in accordance with market practice or Regulation (EU) No. 596/2014 of the European Parliament of April 16, 2014, for transactions subject to that Regulation;

c) the authorisation for purchase is granted for a period of 18 (eighteen) months from the date on which this resolution is passed, whereas authorisation of disposition is granted without time limits and may be exercised on one or more occasions, in order to permit the above purposes to be achieved;

d) the purchases must be undertaken within the limits of the distributable profits and available reserves from the latest approved financial statements;

e) the purchases of treasury shares will be undertaken, pursuant to Article 144-bis, paragraph 1, letter b) of the Issuers' Regulation, in accordance with the provisions of the market regulations in order to ensure equal treatment of shareholders. Accordingly, the purchases will be undertaken, on one or more occasions, solely on regulated markets organised and managed by Borsa Italiana S.p.A., under the operating procedures established by this latter, which does not permit the direct joint proposal to purchase with predetermined proposals to sell;

2) to establish that the treasury shares that will be purchased in execution of the resolution set out in point 1) above will be used to:

a) efficiently utilise liquidity generated by Company operations, also through medium/long-term investment in

treasury shares;

b) to offer shareholders an additional tool to monetise their investment;

c) use treasury shares as consideration in corporate actions, to receive funds for acquisition projects and/or in exchanges of shareholdings, or for other uses deemed of interest to the Company in financial, managerial and/or strategic terms;

d) use the treasury shares purchased or already in portfolio to support any share incentive plans, including in the future, for Directors, employees and collaborators of the Company and/or its subsidiaries, in addition to free share assignment plans for shareholders.

3) to authorise the Chief Executive Officer, with the power to sub-delegate, within the statutory limits:

a) to execute today's resolution and, inter alia, to set aside the reserve for the negative component of equity provided for in Article 2357-ter of the Civil Code, in accordance with the law;

b) to establish the executive and ancillary methods, terms and conditions for optimal execution of this resolution, conducting all appropriate assessments and inquiries, as necessary, and discharging all related obligations and formalities, without any exclusions or exceptions."

The Chairperson then puts to a vote the motion which he previously read out.

Responding to the Chairperson, and with specific regard to the matter being voted on, the Designated Agent reports no situations of exclusion from voting rights, and pursuant to Article 135-undecies of the CFA for the calculation of majorities and in relation to the proposal read, declares that he is in possession of voting instructions for all the shares for which proxy has been granted.

The Chairperson declares the proposal approved by a majority, with the votes declared verbally by the Designated Agent, as the legal provisions recalled in Article 8 of the By-Laws have been complied with.
