(ii) have exercised, also alternatively, for a period of not less than five years, the activity of legal auditing of accounts or the other activities provided for in current legislation.

3. Without prejudice to the provisions of the regulations in force concerning the independence requirements of Directors, a number of Directors equal to at least the one provided for by the Corporate Governance Code in force from time to time - including all members of the Audit Committee - must possess the independence requirements mentioned in such Code.

4. The Directors' term in office spans three operating years, except where a shorter term is established at the time they are appointed, and ends on the date of the Shareholders' Meeting convened for the approval of the accounts relating to the last operating year in which they were in office.

5. The Directors are appointed by the Shareholders' Meeting on the basis of lists. The legitimate parties who are entitled to submit lists are the Board of Directors and the shareholders, who individually or collectively with others represent at least 0.5% of share capital in the form of shares with voting rights at ordinary Shareholders' Meetings. The Board of Directors must resolve on the submission of its own list with a resolution being carried out as per the outright majority of votes cast by the Directors in office.

Each list must be divided into two sections of names: the first section, containing the candidates for the office of member of the Board of Directors other than the candidates for the office of member of the Audit Committee; the second section, containing only candidates for the office of member of the Audit Committee. In each section, each of the relevant candidates must be listed using a progressive number. Each section of each list containing a number of candidates equal to or more than 3 must introduce a number of candidates belonging to the less represented gender such as to ensure abundance by the balance between genders at least in the minimum quantity required by the provisions, also of a regulatory nature, in being at the time. The first candidate in the second section and at least one other candidate (or the first two, in the case of an Audit Committee consisting of more than three members), must be enrolled in the Rolls of Auditors and have exercised the legal auditing of accounts for a period not less than three years; the first candidate and at least one other candidate must also meet the requirements for the office as Chairman of the Audit Committee.

In order to be valid, the lists must be filed with the Registered Office, also through long distance communication means and in accordance with the manner indicated in the notice of the Meeting which allows the identification of the parties that are doing the filing, no later than the deadline provided for by the legislation in force at the time and must be made available to the public, again in the deadline provided for by the legislation in force, at the Registered Office, on the Company's web site and through other channels provided for under prevailing laws. Each legitimate party may submit or contribute to the submission of only one list and, similarly, each candidate may only be included on one list, on penalty of ineligibility.

7. When lists are submitted by the shareholders, the ownership of the minimum shareholding percentage is calculated with regard to the shares registered to each individual shareholder, or to multiple shareholders combined, on the day on which the lists are submitted to the Company. Ownership of the number of shares necessary for filing lists must be proven pursuant to the laws in being at the time; such proof can even be submitted to the Company during or after the time when the lists are filed provided that this occurs prior to the deadline for when the Company must make the lists public.

8. By the deadline for the filing referred to in paragraph 6 above, parties having the right thereto who filed lists must,

together with each list, also file any such further document and declaration required by the provisions, also of a regulatory nature, in being at the time as well as:

- information on the personal and professional characteristics of the candidates indicated on the list;
- a statement whereby the individual candidates irrevocably accept the position (subject to their appointment) and attest, under their responsibility, that there are no reasons for their ineligibility or incompatibility respect to candidacy, and that they meet the experience and integrity requirements provided for by current regulatory and other provisions;
- a statement that the independence requirements dictated by these Articles of Association have been met.

Any list that does not meet the above requirements shall be deemed to have not been filed.

9. All those entitled to vote may only vote for one list.

10. The election of Members of the Board of Directors shall proceed as follows:

a) from the first section of the list obtaining the majority of votes cast shall be taken - in the consecutive order in which they are shown on the list - as much Directors, other than members of the Audit Committee, as to be appointed, decreased of two Directors;

b) from the second section of the list referred to in letter a) above shall be taken, again in the consecutive order, two - or three, if the Committee has more than three members - Directors composing the Audit Committee;

c) the remaining two Directors, other than members of the Audit Committee, shall be taken - in the consecutive order in which they are shown on the list - from the first section of the minority list receiving the highest votes and is not linked in any way, even indirectly, with the shareholders who presented or voted the list which resulted first by the number of votes;

d) the remaining Director member of the Audit Committee - or the remaining Directors, in the event that the Committee is composed of five members - shall be taken, again in consecutive order, from the second section of the list referred to in lett. c) above. The Director indicated in first place in that section shall assume the office of Chairman of the same Committee;

e) if a section of the majority list doesn't reach a sufficient number of candidates for the election of the number of Directors to be appointed - following the mechanism pointed out under lett. a) and/or b) - all the candidates from the section of the majority list shall be appointed and the remaining Directors shall be taken from the corresponding section of the minority list receiving the highest votes and is not linked in any way, even indirectly, with the shareholders who presented or voted the list which resulted first by the number of votes, in the consecutive order in which they are shown on the section of such list;

f) if the section of the minority list receiving the highest votes doesn't reach a sufficient number of candidates for the election of the number of Directors to be appointed the remaining Directors shall be taken in succession from the corresponding sections of the further minorities lists receiving the highest votes, always in the order in which they are shown on the sections of the lists;

g) if the number of candidates included on a section of the majority as well as minorities lists submitted is less than the number of the Directors to be elected, the remaining Directors shall be elected by a resolution passed by the Shareholders' Meeting by a relative majority ensuring the abidance by the independence and balance between genders principles established by the provisions, also of a regulatory nature, in being. If there is a tie vote between several candidates, a run-off will be held between these candidates by means of another vote at the Shareholders' Meeting;

h) if only one list or no list is filed, the Shareholders' Meeting shall deliberate in accordance with the procedures set forth in item g) above;

i) if the minimum necessary number of independent Directors and/or of Directors belonging to the least represented gender is not elected, the Directors of the most voted list who have the highest consecutive number and do not meet the requirements in question shall be replaced by the subsequent candidates, who meet the necessary requirement or requirements, taken from the same section or, missing that, from another section of the same list. Should it prove impossible, even applying said criterion, to single out Directors possessing said requirements, the above substitution criterion will apply to the minorities lists receiving the highest votes from which the candidates elected have been taken;

j) if, even applying the substitution criteria given in the previous lett. i), suitable substitutions have not been found, the Shareholders' Meeting shall resolve by a relative majority. In such circumstances the substitutions shall be effected beginning from the progressively most voted lists and from the candidates bearing the highest progressive number.

11. The revocation of members of the Board of Directors is resolved by the Meeting of Shareholders in the manner provided for by law. The proposal to revoke one or more members of the Audit Committee must explain the reasons and, if submitted by the Board of Directors, it must be adopted with the favourable vote of the absolute majority of all

Directors in office and subject to the prior opinion of the internal nomination committee; if the proposal is submitted by the Audit Committee, it must be adopted by unanimous vote of the other members of that Committee. The revocation of members of the Audit Committee must be duly motivated. The revocation of a member of the Audit Committee implies his/her revocation also as a member of the Board of Directors.

12. In the event of a Director dying or leaving office, in the event of forfeiture or lack, for any other reason, of a Director, other than a member of the Audit Committee, the Board of Directors can take steps to co-opt another Director in substitution, taking into proper account the right of the minorities to be represented. In the above cases, should the minimum number of independent Directors fall below the level established by the Articles of Association and/or should the number of Directors belonging to the least represented gender fall below the level established by law, the Board of Directors shall provide for their replacement.

13. If a member of the Audit Committee ceases to hold office, the first non-elected member of the second section of the list to which the outgoing member belonged shall take his/her place. If, at the time of replacement, the person identified on the basis of the previous criterion does not meet the legal, regulatory or statutory requirements of the departing member, he/she shall be replaced by the next non-elected candidate taken from the second section of the same list and having the same requisites prescribed for the member to be replaced. Should the Chairman of the Committee cease to hold the office, the member taken from the same list of the outgoing member and next in rank in the appointment list who has the necessary requirements shall take the chair. If, for any reason, it is not possible to proceed to the replacement on the basis of the above criteria, the member of the Audit Committee who has ceased to serve shall be replaced by the Meeting of Shareholders to be convened without delay in accordance with the provisions of paragraph 15 below.

14. The members taking over in the Audit Committee and members appointed by the Board by co-optation remain in office until the next Meeting of Shareholders.

15. For the appointment of Directors that need to be added to the Board of Directors, resolutions of the Meeting of Shareholders shall be by relative majority, ensuring abidance by the criteria of independence and balance between genders established by the provisions, also of a regulatory nature, in being.

Clause 21

1.
