Milan, September 5th, 2024

Total net sales in August 2024 continued at elevated levels at € 706 million (+9% from € 648 million as of last year), confirming the higher interest for investments by Fineco ever-increasing customers. The asset mix highlights a solid Asset under Management net sales component at € 275 million (+75% from € 157 million as of August 2023), while Fineco Asset Management records retail net sales at € 268 million, which has more than offset the outflows from insurance (equal to € -117 million). Asset under Custody were equal to € 287 million, and deposits were at € 144 million.

Estimated brokerage revenues equaled to around € 16 million in August (+40% compared to the monthly average of the period 2017/2019). Since the beginning of the year, estimated revenues reached around € 146 million (+13% y/y).

Alessandro Foti, CEO and General Manager of FinecoBank, commented:

“Total net sales in August, a month historically characterized by seasonality, are very solid confirming once again a consolidated tendency towards investments by our customers. Particularly positive the result of asset under management, thanks to our financial advisors’ constant commitment in supporting customers in an efficient and long-term financial planning, concretely meeting their needs. August figures came along together with very positive performance of brokerage, which since the beginning of the year recorded an increase of revenues and confirmed the growth of new customers, who appreciate even more advanced advisory services, together with a wide range of solutions particularly suitable to face market turmoils.”
