Instructions for exercising the voting rights by correspondence

(pursuant to Article 140 et seqq. of Consob Regulation No. 11971 of May 14, 1999)

Shareholders are invited to read and accept the following provisions so as to ensure the proper exercising of voting rights by correspondence.

Shareholders should bear in mind that:

1. Voting by correspondence will be exercised directly by the person entitled and expressed separately for each of the motion proposals.
2. The ballot card must be signed by the person entitled to vote. In the case of joint ownership, the signature of all joint owners or the joint representative, if appointed, is required. In the case of entities, appropriate documentation shall be attached to prove the signatory's legitimacy to bind the entity (power of attorney); the insufficiency of such documentation may result, in the opinion of the Chair of the Shareholders' Meeting, in the ballot card not being taken into consideration for the purposes of establishing a quorum for the meeting or for voting purposes.
3. Ballot cards that are not signed by the person entitled will not be taken into consideration for the purposes of establishing a quorum for the meeting or for voting purposes.
4. The voter must fill out clearly and legibly the section of the ballot card relating to the identifiers, so as to allow for comparison with the data resulting from the notice for attending the Shareholders' Meeting pursuant to Article 83-sexies of Legislative Decree No. 58/1998 (the "notice") attached hereto; in the event of a mismatch, the ballot card shall not be taken into consideration for the purposes of establishing a quorum for the meeting or for voting purposes.
5. A single ballot card may be accompanied by several notices in the name of the same person entitled to vote. Voting shall be understood as having been unequivocally exercised with reference to the totality of the shares resulting from the notice(s) attached.
6. It is not permitted to vote by means of more than one ballot card with respect to the shares resulting from a single notice. Where such a circumstance occurs, the ballot cards will not be taken into account for voting purposes.
7. The ballot card and the notice(s) must reach the Company in a single sealed envelope. Should said documentation be sent in separate envelopes, the ballot card shall not be taken into consideration for the purposes of establishing a quorum for the meeting or for voting purposes.
8. The sealed envelope containing the ballot card and the notice(s) must be addressed to *Segreteria Societaria*, taking care to add the words 'vote by correspondence' on it. Dispatch through other offices of the Company is not permitted. In any case, the ballot card shall only be deemed received by the Company when it reaches the following address:
Aquafil S.p.A., FAO "Segreteria Societaria", via Linfano 9 38062 – Arco (Trento) – Italy
Otherwise, the ballot card cannot be taken into consideration for the purposes of the Shareholders' Meeting.
9. With reference to the proposed motions on the agenda of the Shareholders' Meeting, as indicated in the ballot card, the person entitled to vote has the right to express his/her vote by ticking the chosen box.
10. Pursuant to Article 138, paragraph 6, of Consob Regulation No. 11971/99, in relation to the proposals for motions for which voting instructions were not given, the shares will in any case be used to calculate whether a quorum has been reached to form the shareholders' meeting;

however, these shares will not be used in order to calculate majorities and the capital quota required to approve resolutions.

11. The vote may be revoked by making a written declaration brought to the awareness of the Company at least the day before the meeting or by declaration expressed by the interested party during the meeting.

12. In the event of ambiguous votes or votes that are otherwise difficult to interpret, the Chair of the Shareholders' Meeting shall assess, for voting purposes, whether to consider the ballot as a whole or with respect to the specific proposals.

13. Persons voting by correspondence shall be responsible for their statements on the ballot card and on the documentation enclosed in the envelope.
