- 11.1. The Company is administered by a Board of Directors made up of not less than 7 and not more than 12 members. The Shareholders' Meeting determines the number of members on the Board, a number that remains unchanged unless otherwise resolved.
- 11.2. All Directors must satisfy the eligibility and good standing requirements established by applicable law and other provisions. In addition, in accordance with the legal and regulatory requirements, a number of Directors should be independent.

- 11.3. The election of the Board of Directors is made on the basis of slates presented by shareholders, according to the procedure laid down in the following provisions, unless otherwise or further provided by mandatory provisions of law or regulations.
- 11.4. Shareholders can present a slate for the appointment of Directors who, alone or together with other presenting shareholders, have a shareholding at least equal to that determined by Consob in accordance with applicable provisions and regulations. Ownership of the minimum shareholding is determined according to the shares that are registered in favour of the shareholder on the day in which the slates are filed with the issuer; certification can also be made subsequent to the filing provided that it is within the deadline for the publication of the slates.
- 11.5. The slates are filed at the registered office in accordance with the methods and the deadlines provided for by applicable law. The slates must be made available to the public in accordance with the manner and terms prescribed by current regulations.
- 11.6. The slates provide for a number of candidates not above 12, each listed by progressive number. The slates with a number of candidates equal to or greater than 3 (three) should be composed of candidates only from both genders (masculine or feminine), so as to guarantee the composition of the Board of Directors in accordance with legal and regulatory provisions in relation to gender balance (male and female), rounded upwards.
- 11.7. Each slate must include as an attachment, at the risk of ineligibility: (i) the curriculum vitae of the candidates; (ii) a declaration in which all the candidates accept the candidature, and attest, under their own responsibility, that no grounds for ineligibility and incompatibility exist, as well as the existence of the requirements prescribed by applicable law for the office of director of the Company and including the declaration on the possession of the independence requirements; (iii) the identity of the shareholders who have submitted the slates and the total percentage of shares held; (iv) any additional or differing declaration, information, and/or documents provided for by applicable law and regulations.
- 11.8. Each shareholder, shareholders belonging to the same group of companies, as well as shareholders involved in shareholder agreements in accordance with Article 122 of Legislative Decree No. 58/1998, may not present or participate in presenting, not even through a nominee or trust company, more than one slate nor can they vote for differing slates; in addition, each candidate may only be presented on one slate, at the risk of ineligibility.
- 11.9. At the end of the vote, the candidates of the two slates that have obtained the highest number of votes will be elected on the following basis: (i) from the slate which obtained the highest number of votes (the "Majority Slate"), a number of directors are taken in a progressive order of presentation, equal to the total number of candidates to be elected except one; and (ii) from the second slate that has obtained the highest number of votes and which is not related in any manner, even indirectly, to shareholders who have presented, or to those who have voted for, the Majority

Slate (the "Minority Slate"), one director is elected, in the person of the candidate listed first on that slate.

- 11.10. Consideration is not taken of the slates which have not obtained at least half of the votes required for the presentation of slates.
- 11.11. In the case of a tie between slates, shareholders will take a second vote and those candidates who obtain a simple majority of votes will be elected without the application of slate voting.
- 11.12. Where the result of voting does not satisfy the requirements of law and regulations that are in force at a given time on gender equality (male and female) (including the rounding up to the next unit in the event that the application of the criterion for the gender equality quota does not result in a full number), the candidates of the most represented gender elected as last in progressive order from the Majority Slate will be excluded and will be replaced with the first non-elected candidates belonging to the other gender. Where it is not possible to implement this replacement procedure in order to guarantee compliance with legal and regulatory provisions concerning gender balance, the non-elected Directors will be elected by the Shareholders' Meeting through ordinary majority, with presentation of candidates belonging to the under-represented gender.
- 11.13. Where the result of the voting does not ensure the election of the number of Independent Directors required by the applicable regulations, the non-independent candidates elected last in progressive order on the Majority Slate will be excluded and will be substituted with the first independent non-elected candidates from the same slate. Finally, if this procedure does not produce the latter result, the substitution will occur through a resolution passed by the Shareholders' Meeting by statutory majority after the presentation of candidates considered as independent for the present purposes.
- 11.14. In the event of a presentation of only one slate, the Shareholders' Meeting will vote on it and, if it obtains a majority of votes, all members of the Board of Directors will be taken from this slate in accordance with the applicable law and regulations, also with regard to the gender equality quota (male and female) (including the rounding up to the next unit if the application of the criterion for the gender quota does not result in a full number).
- 11.15. In the absence of slates, or if only one slate is presented and this does not obtain the majority of votes, or if the number of elected directors on the basis of slates presented is lower than the number of members to be elected, or if the entire Board of Directors is not to be renewed, or if it is not possible for any reason to elect the Board of Directors in the manner provided for in this Article, the members of the Board of Directors will be elected by the Shareholders' Meeting by statutory majority, without the application of slate voting, save for the obligation to maintain the minimum number of independent directors established by law and in accordance with the applicable law and regulations in terms of gender equality

quotas.

- 11.16. The directors are elected for a period, established by the Shareholders Meeting, of not greater than three years from the acceptance of their office and until the date of the Shareholders' Meeting for the approval of the annual accounts for the last year of their appointment.
- 11.17. In the event of termination of office, for any reason, of more than half of the directors elected by the Shareholders' Meeting, the entire Board shall be deemed to lapse with effect from the moment in which the Board of Directors has been renewed and the directors still in office will urgently call the shareholders' meeting for the election of the new Board of Directors.
- 11.18. Where during the year one or more Directors elected from the slate which attained the second highest number of votes at the Shareholders' Meeting vacates office, the Board of Directors shall, where possible, co-opt an unelected candidate from the slate of the resigning Director, subject to the obligation to maintain the minimum number of Independent Directors established by law and in accordance with applicable law and regulations in relation to gender balance. If there are no unelected candidates on the slate from which the outgoing Director was taken, or if any unelected candidate on the slate from which the outgoing Director was taken has declared his/her unavailability to accept the position, the Board of Directors shall co-opt a new Director without applying the above-mentioned mechanism, without prejudice to the obligation to maintain the minimum number of Independent Directors set out by law and in compliance with the provisions of law and regulations in force from time to time concerning the balance between genders.

The Board of Directors, after prior mandatory consultation with the Board of Statutory Auditors, shall appoint an Executive Officer responsible for the preparation of the financial statements, in accordance with Article 154-bis of Legislative Decree No. 58/1998, granting them adequate means and powers for the accomplishment of the tasks assigned by that provision, including those relating to sustainability reporting, as well as those provided for in the *pro tempore* regulations, including the implementing regulations.
- 16.2. The Executive Officer responsible for the preparation of the financial statements must be in possession of the professional requisites i.e. a qualified experience of at least three years in the performance of administration and control, or in the performance of executive or consulting functions within listed companies and/or in related groups of companies, or companies, entities and organisations of significant size and importance, even in relation to preparation and control of accounting and corporate documents. The Executive Officer must also meet the requirements of good standing as provided for auditors by the applicable legal provision.
- 16.3. This is without prejudice to the right of the Board of Directors to assign the powers and responsibilities set out in paragraph 5-ter of Article 154-bis of Legislative Decree No. 58 of February 24, 1998, and in the *pro tempore* regulations, including the implementing legislation, applicable in the field of sustainability reporting to an executive other than the Executive Officer for Financial Reporting, who has adequate experience and specific skills in the field of sustainability reporting and who meets the good standing requirements established for Statutory Auditors by the applicable legal provisions.

BOARD OF STATUTORY AUDITORS AND AUDIT

Article 17. Appointment, duration and replacement

- 17.1. The Board of Statutory Auditors is composed of 3 (three) auditors and 2 (two) alternate members, elected by the shareholders' meeting on the basis of slates presented by shareholders, in accordance with the procedures laid down in the following articles, without prejudice to different and further provisions provided for by mandatory laws or regulations.
- 17.2. Slates for the election of auditors may be presented by shareholders who, at the time of presentation of the slate, hold - alone or together with other shareholders - a shareholding that is at least equal to that determined by Consob in accordance with applicable laws and regulations. Ownership of the minimum shareholding is

determined according to the shares that are registered in favour of the shareholder on the day in which the slates are filed with the issuer; certification can also be made subsequent to the filing provided that it is within the deadline for the publication of the slates.

- 17.3. The slates are filed at the registered office in accordance with the methods and the deadlines provided for by applicable law. The slates must be made available to the public in accordance with the manner and terms prescribed by current regulations.
- 17.4. The slates must include the names of one or more candidates for the position of auditor and one or more candidates for the position of alternate auditor. The names of candidates are marked in each section ("Statutory Auditors" section, "Alternate Auditors" section) by progressive order and are, in any case, not greater in number than the members of the body to be elected. The slates, if they contain, in both sections, a number of candidates equal to or greater than 3 (three), must contain a number of candidates in both sections to ensure that the composition of the Board of Statutory Auditors, both for Statutory Auditors and Alternate Auditors, complies with the legal and regulatory provisions that are in force in relation to gender equality (male and female), provided that if the application of the criterion for the gender equality quota does not result in a full number, this should be rounded to the next unit.
- 17.5. The following documents must be attached to each slate, at the risk of ineligibility: (i) information on the identity of shareholders who have presented them, with an indication of the total percentage of shares held; (ii) a declaration by shareholders other than those who hold, even jointly, a controlling or majority shareholding, attesting to the absence of any relationship with these latter in accordance with applicable law; (iii) detailed information about the personal and professional characteristics of the candidates, as well as a declaration by the candidates certifying that they meet the statutory requirements, and acceptance of the candidature, accompanied by a list of administrative and control positions held with other companies; (iv) any additional or differing declaration, information, and/or documents provided for by applicable law and regulations.
- 17.6. Each shareholder, shareholders who belong to the same group of companies, as well as shareholders involved in a shareholders' agreement in accordance with Article 122 of Legislative Decree No. 58/1998, may not present or participate in presenting, not even through a nominee or trust company, more than one slate nor can they vote for differing slates; in addition, each candidate may be present in only one slate, at the risk of ineligibility.
- 17.7. In the case where only one slate is filed at the expiry date of the term for presentation of the slates, or slates are only presented by related shareholders pursuant to the applicable directives, slates can be presented up to the third day subsequent to such date. In this case, the percentage threshold established for the presentation of the slate is reduced by half.

- 17.8. The Statutory Auditors shall be elected as follows: (i) from the slate that obtained the largest number of votes (“Majority Slate”) taken in the progressive order in which they appear in the slate, two statutory auditors and one alternate auditor; (ii) from the slate that obtained the second largest number of votes and are not connected, even indirectly, with the shareholders who presented or voted for the Majority Slate in accordance with the applicable provisions and taken in the progressive order in which they appear on the slate, the third statutory auditor will be chosen (“Minority Statutory Auditor”), who will chair the Board of Statutory Auditors, and the second alternate auditor (“Minority Alternate Auditor”). In the case of a tie between slates, shareholders will take a second vote and those candidates who obtain a simple majority of votes will be elected without the application of slate voting.
- 17.9. Where the result of voting does not satisfy the applicable gender balance law and regulations in force (including the rounding up down to the next unit if the application of the criterion for the gender equality quota does not result in a full number), the candidate for the office of Statutory or Alternate Auditor from the over-represented gender elected as last in progressive order from the Majority Slate will be excluded and will be replaced by the next candidate for the office of Statutory or Alternate Auditor from the same slate belonging to the other gender.
- 17.10. Where only one slate is presented, the Shareholders’ Meeting will vote on that slate and, where this slate receives the majority of the votes, all the Statutory Auditors and Alternate Auditors will be taken from this slate in accordance with applicable law and regulations, including the gender equality regulations (which includes rounding down where necessary in relation to the under-represented gender).
- 17.11. Statutory Auditors shall hold office for three years, may be re-elected, and their term expires on the date of the shareholders' meeting for the approval of the annual accounts related to the third year of their appointment.
- 17.12. Subject to compliance with legal and regulatory provisions relating to gender equality in the cases where, for whatever reason, (i) the Majority Slate standing auditor resigns, this office shall fall to the alternate auditor from the Majority slate, (ii) the Minority Standing Auditor resigns, this latter is replaced by the Minority Alternative Auditor. If, for whatever reason, it is not possible to proceed as indicated above, the Shareholders’ Meeting must be called in order to supplement the Board through statutory majority, without the application of slate voting, subject to compliance with the applicable law and regulations in relation to the gender equality quotas.
- 17.13. In the absence of slates, or where it is not possible for any reason to appoint the Board of Statutory Auditors with the procedures provided for in this Article, the three Statutory Auditors and the two Alternate Auditors will be appointed by the Shareholders’ Meeting through the majority provided for by law, in accordance with the laws and regulations in force also in relation to the gender equality quota (including the rounding down to the next unit if the application of the criterion for the gender

equality quota does not result in a full number).

Article 18. Call, meetings and resolutions

- 18.1. The Board of Statutory Auditors shall meet on the initiative of any one of the statutory auditors. The Board of Statutory Auditors may also be convened without indicating in the call notice a specific physical location for the meeting, in which case the participants shall speak exclusively by means of remote telecommunications in the manner set forth in Section 18.2 below. The meeting shall be validly constituted with the presence of a quorum of Statutory Auditors and shall resolve on the basis of an absolute majority of those present.
- 18.2. Meetings of the Board of Statutory Auditors may be held, also exclusively, by audio or video conference, provided that:
- (i) a collective approach is taken and that the principles of good faith and equal treatment of members are upheld;
 - (ii) the chairperson of the meeting may verify the identity and the right to attend of the attendees, govern the proceedings of the meeting and verify and confirm the voting results;
 - (iii) the minute-taker is able to adequately note all the matters pertaining to the meeting;
 - (iv) attendees may participate in the discussions and vote simultaneously on the matters on the Agenda.

If a physical call location is opted for, the meeting is deemed to be held in the place where the person taking the minutes is present. It is understood that the Chairperson and the person taking the minutes may be in different locations.

Article 19. Legally-required audit

- 19.1. The independent audit is carried out, in accordance with the applicable provisions of the law, by a person who meets the applicable legal requirements.
