The company operates in the context of Digital Transformation, focusing on the Healthcare, Energy, and ESG sectors. Through its products, it enables clients to extract value from data to make better decisions and innovate their Business and Operative Models.

Thanks to the "Maps Healthcare" Business Unit, it oversees the innovative trends of Patient Experience and Telehealth, as well as providing Diagnostic and Hospital Information Systems to public and private entities. With the "Maps Energy" Business Unit, it offers solutions for monitoring, optimizing, and controlling complex energy systems and Energy Communities. Finally, through its "Maps ESG" Business Unit, the company develops and commercialize digital solutions designed to support Public Administrations in creating Public Value. Additionally, with "MapsLab" Business Unit, it operates in an Open Innovation context, outside the strategic markets of the Group (Healthcare, Energy, ESG), to meet specific needs through tailor-made products or solutions for Best in Class clients in their respective markets. The Group is also strongly committed to Research and Development. The "Research & Solutions" division is responsible for identifying market needs and evolving the products.

Maps Group ended 2023 with consolidated revenues of 27.5 million euros (+11% compared to 2022), an EBITDA of 5.0 million euros (18% EBITDA Margin), and a Net Financial Position of 12.5 million euros (13.8 million euros in 2022).
